Journey to South Vietnam John Williams, 2017-02-06 This book provides a different perspective on the Vietnam conflict Journey to South Vietnam is a story of real life events including my career in the military services the United States Marine Corps USMC and the United States Air Force USAF These compelling and life altering experiences seemed to defy the imagination I was also searching for my god I volunteered for South Vietnam when the United States was in turmoil and the military was not respected by the media or the American public I worked behind the lines at Da Nang Air Base and not in the field where the action occurred but still a bounty was placed on my head for 10 000 While serving in the Marine Corps I was transferred to the Caribbean Sea in an operation during the Dominican Republic crisis CARIB 4 65 During that time my friends and fellow marines were being killed on a mountain known as Monkey Mountain or Hill 621 This hill is situated south of the Son Tra Mountain Range It overlooks Da Nang Harbor and China Beach in the Republic of South Vietnam Their base camp was overrun by the North Vietnamese Army NVA and the Vietcong VC After I was discharged from the marines I felt I needed to get more involved in combat I wanted to go back into the military to be placed into the gauntlet

of fire It wasn't until much later that I realized I was struggling with PTSD I joined the air force and within a few months volunteered for Da Nang South Vietnam near where a lot of my friends perished I tried to inject a little humor in the work situation but it was always misinterpreted During this phase of my life I had many close encounters but God's presence was always there As I look back I now realize that God intervenes not just in my life but in all of our lives The Layers of the Text Richard Hunter, 2021-10-25 This volume collects the most recent essays of Richard Hunter one of the world's leading experts in the field of Greek and Latin literature The essays range across all periods of ancient literature from Homer to late antiquity with a particular focus not just on the texts in their original contexts but also on how they were interpreted and exploited for both literary and more broadly cultural purposes later in antiquity Taken together the essays sketch a picture of a continuous tradition of critical and historical engagement with the literature of the past from the period of Aristophanes and then Plato and Aristotle in classical Athens to the rich prose literature of the Second Sophistic Richard Hunter's earlier essays are collected in *On Coming After Berlin* 2008 **The Hard Way** Jonathan McCuller, 2011-12-19 This book is an introduction to the world according to Jonny It is not for the weak at heart but is intended to share a small part of my life with you which includes the Early Years Destiny Florida A touch of High School Golf Navy Skiing just to name a few As you read this book you may think to yourself that at times I am enhancing the truth but in fact you will find as time goes on that it is not only the truth but it goes way deeper So sit back and transform yourself to my words and you will see for yourself that these words are nothing less than wholesome I want you to know you will find my antics amusing and other times appalling but everything in this book really did happen Nobody has that good of an imagination including me So sit back and enjoy the rollercoaster of emotions you're about to go on **The Sirens Never Stop** David Johnson, 2012-02-01 THE SIRENS NEVER STOP This book is jammed packed with real human stories From David Johnson author and retired Paramedic who has 20 years of experience saving lives The Book Covers Where It All Began Fear Of The Dead How I Became a Paramedic A Night To Remember Famous Celebrities and much much more This book is brutal This book is funny and most importantly this book is packed with heart from front to back A sick man with the strength of ten men drug deals gone bad gang bangers with no fear Sex crazed nurses One man doing everything in his power to save lives while at the same time trying to stay out of the line of fire This is good stuff Mark Edward Marston Stillwater Gazette Newspaper MN You can't put this book down The action is non stop A McDougal GA **Sailors' Wives** Samuel Hopkins Adams, 1924 Of marriage and morals among the smart young moneyed set on Long Island Cf Hanna A Mirror for the nation **The Afterlife (Siren Suicides, Book 3)** Ksenia Anske, 2013-08-05 Ailen Bright is more lost than ever Her father has betrayed her yet again but keeps her longing for his love alive with some almost heartfelt confessions though few and far between She and Hunter can never be together without fighting the urge to strangle each other with their bare hands And to top it off two faced Canosa won't leave her alone Her resolve to do the right thing is wavering as she tries to protect the ones she loves simultaneously searching for a reason to
