**The Sky Pilot in No Man's Land (Classic Reprint)** Ralph Connor,2015-07-13 Excerpt from The Sky Pilot in No Man s Land High upon a rock poised like a bird for flight stark naked his satin skin shining like gold and silver in the rising sun stood a youth tall slim of body not fully developed but with muscles promising in their faultless gently swelling outline strength and suppleness to an unusual degree Gazing down into the pool formed by an eddy of the river twenty feet below him he stood as if calculating the distance his profile turned toward the man who had just emerged from the bushes

and was standing on the sandy strand of the river paddle in hand looking up at him with an expression of wonder and delight in his eyes Ye gods what a picture said the man to himself Noiselessly as if fearing to send the youth off in flight he laid his paddle on the sand hurriedly felt in his pockets and swore to himself vigorously when he could find no sketch book there What a pose What an Apollo he muttered The sunlight glistening on the beautiful white skin lay like pools of gold in the curving hollows of the perfectly modelled body and ran like silver over the rounded swellings of the limbs About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works SKY PILOT Ralph 1860-1937 Connor,2016-08-29
