Naval Aviation News ,1992 *Queering the Redneck Riviera* Jerry T. Watkins III,2021-07-29 Queering the Redneck Riviera recovers the forgotten and erased history of gay men and lesbians in North Florida a region often overlooked in the story of the LGBTQ experience in the United States Jerry Watkins reveals both the challenges these men and women faced in the years following World War II and the essential role they played in making the Emerald Coast a major tourist destination In a state dedicated to selling an image of itself as a family friendly tropical paradise and in an era of increasing moral panic and repression queer people were forced to negotiate their identities and their places in society Watkins re creates queer life during this period drawing from sources including newspaper articles advertising and public relations campaigns oral history accounts government documents and interrogation transcripts from the state s Johns Committee He discovers that postwar improvements in transportation infrastructure made it easier for queer people to reach safe spaces to socialize He uncovers stories of gay and lesbian beach parties bars and friendship networks that spanned the South The book also includes rare photos from the Emma Jones Society a Pensacola based group that boldly hosted gatherings and conventions in public places Illuminating a community that boosted Florida s emerging tourist economy and helped establish a visible LGBTQ presence in the Sunshine State Watkins offers new insights about the relationships between sexuality capitalism and conservative morality in the second half of the twentieth century

Trader Jon's James L. Dickerson,2012-11-01 Trader Jon s Cradle of U S Naval Aviation is a history of one the most famous bars in American history and a tribute to all the U S Navy Aviators who passed through its doors A gritty strip joint in which local women made good money taking off their clothing it also was the secret location for the initiation of Newbie flyers for the legendary Blue Angels For nearly four decades Trader Jon s was where the men who trained to fly the monster jets of the U S Navy let down their hair before going off to fight and sometimes die in lonely battles above obscure patches of water and land over Korea Vietnam and Bosnia It was where America s astronauts contemplated their future as they gazed at the time worn artifacts of the past It was where nearly every major symbol of the American Dream including John Wayne Bob Hope Henry Fonda and Elizabeth Taylor found temporary solace Artifacts lined the walls pasted floor to ceiling along with hundreds of framed photographs of the pilots astronauts and movies stars who visited the bar and from the ceiling hung giant model airplanes their wings tipped in mock flight as they circled within the soft glow of 25 watt passion lights When Trader Jon s owner Martin Weismann died in 2000 the bar was closed and his memorabilia collection valued at more than 2 million was purchased by a Pensacola law firm and donated to the Naval Aviation Museum Foundation where it will be preserved and maintained in Pensacola Among those who mourned the bar s passing is Retired Vice Admiral Jack Fetterman who recalls Weismann as someone who never said anything bad about anyone You talk about bonding and you talk about brotherhood and you talk about what naval aviation was all about Trader kind of provided that foundation One measure of the Navy s deep regard for Weismann is the singular honor it
