Uphill Both Ways

Trent Harris

Uphill Both Ways:

Ingrained Matt Chapdelaine, 2018-04-17 *Ingrained* is a collection of over fifty stories about how five family members each found a way to reach the highest level in their respective sports. Its disjointed biographical short story format will take you behind the curtain into life as a kid of the Chapdelaines through the eyes of their middle child Matt. *Ingrained* is for parents, teens, young adults, mentors, coaches, athletes, and fans alike. The lessons and stories range from helpful reminders of oft-neglected wisdoms to thought-provoking cliché busters and even out-of-the-box perspectives on some of the trickiest issues such as growing up, finding yourself, and grappling with what you believe. Topics include thoughts on competition, courage, will, values, tenacity, decision-making, coachability, growing up, manhood, family, faith, and so much more. This heartfelt, funny, emotional, challenging, convicting, and liberating journey will unveil the most formative moments in Matt's path to becoming the man he is today. It will illuminate the power of one's story and provoke you to consider the power hidden in your own. With its short chapter lengths, this page-turner will appeal to both the reader who consumes books whole and the reader who likes to nibble a little bit at a time. The short but saturated stories will take you from root to fruit in the Chapdelaine family tree and give you insights into the life lessons, core values, coming-of-age moments, and powerful truths that have culminated in the secret to their success.

The Average American Son Trent Harris, 2005 As a single mother of two young children, Charlotte set out to build a new life. She leaves her entire family behind in Virginia for the opportunities Ohio offered to her and her family. With just a high school education, no money, and completely alone, she redefined herself into a woman destined for success. After years of long hours working, many sleepless nights filled with worry, building new friendships, and raising two children, Charlotte blended herself into small town life amongst the corn and soy fields of Centerburg, Ohio. Her two sons, Trent and David, were given a life better than the one she had as a child. She had done what every mother dreamed of doing for her two boys. Just as life was starting to blossom with the full fruits of her success, tragedy entered her home. Cancer took from her what had taken years to build. Not only did the disease destroy her, it destroyed the lives of her two teenage sons. They would be the ones who would feel the full hurt of a broken home. *The Average American Son* looks closely at the effects cancer has on the lives of those left behind to put the pieces back together. Death was just the beginning of many pains. Charlotte's sons would endure before rebuilding their own lives.
