## Why Sin Matters:

**Why Sin Matters** Mark R. McMinn, 2004 This emotionally stirring book brings readers to realize their sin and leads them straight into the arms of a grace giving God by using Rembrandt's ornate painting The Return of the Prodigal Son as an illustration

**Sin Always Matters** RICK. BURGESS, 2024-02-16 There is nothing more comforting than God's love The grace and mercy God makes available to humankind through Jesus is so rich it's hard to process But if that's the only aspect of God's character we ever consider we're not getting a complete picture of who God is We will never be able to process God's love and mercy unless we put them next to God's judgment and wrath toward sin Put simply sin matters to God Always There's no circumstance where it doesn't matter There is no situation where God turns a blind eye toward sin Sin matters and it matters greatly We have only to look at the cross should we ever doubt it In Sin Always Matters Rick Burgess examines the depth of God's grace and mercy by looking at the costliness of our sins You'll learn exactly what sin does to us in God's eyes how God made a way for the perfect provision for our sin and how our attitude toward sin changes how we see God and our very lives This 31 day devotional will change your relationship with your sin and God's grace

Understanding and Knowing God Roan Rickard, 2018-11-12 Though unseen and unheard the God of the Bible exists Religious wars and atrocities in the history of the Christian West may cause many to disbelieve in God or see Him in a negative light God did not cause these horrors nor is He responsible for these or any other sins of man God is in fact love as John described Him Much of popular culture today reviles God based upon spiritually naive opinions What of pain suffering inequity and injustices How can we say that God is love in the face of this reality Understanding such difficult questions requires development of a spiritually informed perspective Consider if the God of the Bible exists God Almighty our creator surely He must be competent to reveal Himself to us Indeed He is competent and biblical scripture reveals God to mankind Yet God is an elegant personality and scripture is an elegant message Knowing Him and comprehending His scripture require effort The mendicant seeking God and studying scripture must yield heart and mind to renewal unlearn many biases learn new and astonishing ideas and become susceptible to God's Spirit informing retraining and transforming us Spiritual objectivity is possible This book is the product of one adult life spent tenaciously seeking God The author declares that the biblical God does exist He is understandable and knowable Life with God with God dwelling with us and within us is our greatest birthright By God's design we are all children of God As children of God we have a glorious spiritual inheritance available to us if only we can lift our eyes upon it and make it our own This book has been written to help people everywhere cut through the philosophical theological social cultural and spiritual static of our times that they might walk with God as Enoch Abraham Moses David or Elijah walked Our intimacy with God can and should be as vibrant and constant as any Bible hero we could name To this end bringing people into not only relationship but also spiritual intimacy with God this book was written

Homosexuality and the Christian Mark A. Yarhouse, PsyD, 2010-09-01 Mark Yarhouse gives honest and accurate answers

to parents and pastors who have questions about homosexuality Throughout the book the author uses a new framework for understanding the issue carefully separating the concept of same sex attraction from a gay identity In a clear and compassionate style he explains the research regarding what causes same sex attraction and whether or not it can be overcome He also discusses what Christians can do when someone they know opens up to them about their homosexual attractions

**I'd Like You More If You Were More like Me** John Ortberg,2017-10-03 I'd Like You More If You Were More like Me takes on one of life's most important questions How can I get closer to God and other people We were created for deep connections When people have deep connections says John Ortberg they win in life When they don't have deep connections they cannot win in life I'd Like You More if You Were More like Me offers help in overcoming one of the biggest obstacles to making deep connections the fact that we're so different Different from God and different from each other The good news is that connectedness is not based on similarity but on shared experiences When one person invites another to share an experience they're connected It can be sharing a beautiful sunset or a meal having a great conversation over cup of coffee going for walk or even teasing somebody And when we share those same experiences with God we get closer to him too God wants to connect with us so much that he sent his son to live as a human being God took on flesh and shared every human experience So we don't have to wonder what a close relationship with God looks like anymore An intimate relationship with God and other people doesn't have to be a cliché it can be a daily way of life
