Warfield ranks among America's greatest theologians and Reformed theology's most ardent defenders. As a prolific writer and accomplished scholar, Warfield defended Reformed confessionalism against the extremes of nineteenth-century modernist and revivalist theology and defined the parameters of theological method for the twentieth century. The 10-volume B. B. Warfield Collection includes Warfield's works on biblical inspiration and authority, textual criticism, Calvinism, biblical theology, and Christian perfectionism. The B. B. Warfield Collection from Christian Classics Reproductions includes the entire 10-volume Works of Benjamin B. Warfield published in the decade following Warfield's death in 1921, plus ten additional volumes which contain books, articles, and lectures not found in the original ten volumes. The entire 10-volume B. B. Warfield Collection is fully searchable and easily accessible. The Scripture references in Warfield's books are there to check in your favorite Bible translations and Greek texts, and important theological concepts are linked to dictionaries, encyclopedias, and the wealth of resources at your fingertips.
