Don't miss your chance to experience the wit and charm of Max Beerbohm's *Yet Again*. Let this delightful collection of essays transport you to a world of laughter, insight, and literary brilliance. Grab your copy now and savor the timeless delights of one of the greatest essayists of all time. **Bleak House Volume 2 of 3 (EasyRead Large Edition)**, *Connectives as Discourse Landmarks* Agnès Celle, Ruth Huart, 2007-06-27

This set of eleven articles by linguists from four different European countries and a variety of theoretical backgrounds takes a new look at the discourse functions of a number of English connectives from simple coordinators and but to phrases of varying complexity. After all, the fact is that using authentic spoken and written data from varied sources, the authors explore the ways in which current uses of connectives result from the interaction of syntax, semantics, and prosody both over time and through diversity of discourse situations. Most adopt an integrative approach in which speaker-listener or writer-reader relationships are viewed as part and parcel of the linguistic properties of each marker. Because it combines functional, generative, and enunciative approaches into a coherent whole with a common explanatory aim, this book will be of interest to linguists, corpus linguists, and all those who investigate the semantics-pragmatics interface.
