Skin Folk:

Skinfolk Matthew Pratt Guterl, 2023-03-28 A haunting poignant story of growing up in a mixed race family in 1970s New Jersey in the tradition of *The Color of Water* Race is made not born It can materialize with a thunderous suddenness It can happen to you in moments that will be cauterized into memory as if into flesh Could a picturesque white house with a picket fence save the world What if it was filled with children drawn together from around the globe And what if within the yard the lines of kin and skin of family and race were deliberately knotted and twisted In 1970 a wild eyed dreamer Bob Guterl believed it could Bob was determined to solve in one stroke the problems of overpopulation and racism The charming larger than life lawyer and his brilliant wife Sheryl a former homecoming queen launched a radical experiment to raise their two biological sons alongside four children adopted from Korea Vietnam and the South Bronx the so called war zones of the American century They moved to rural New Jersey with dreams of creating what Bob described as a new Noah s ark filled with two of every race While the venture made for a great photograph with the proverbial casseroles and potato chips out for everyone the Brady Brunch fa ade began to crack once reality seeped into the yard adding undue complexity to the ordinary drama of a big family Neighbors began to stare Vacations went wrong Joy and laughter commingled with discomfort and alienation Familial bonds inevitably buckled In the end this picture perfect family was no longer and memories of the idyllic undertaking were marred by tragedy In lyrical yet wrenching prose Matthew Pratt Guterl one of the children narrates a family saga of astonishing originality in which even the best intentions would prove woefully inadequate He takes us inside the clapboard house where Bob and Sheryl raised their makeshift brood in a nation riven then as now by virulent racism and xenophobia Chronicling both the humor and pathos of this experiment he opens a door to our dreams of what the idea of family might make possible In the tradition of James McBride s *The Color of Water* *Skinfolk* exposes the joys and constraints of love blood and belonging and the persistent river of racial violence in America past and present [Skin Folk](#) Nalo Hopkinson, 2015-01-27 The SFWA Grand Master s award winning collection combines a richly textured multicultural background with incisive storytelling Library Journal In *Skin Folk* with works ranging from science fiction to Caribbean folklore passionate love to chilling horror Nalo Hopkinson is at her award winning best spinning tales like *Precious* in which the narrator spews valuable coins and gems from her mouth whenever she attempts to talk or sing In *A Habit of Waste* a self conscious woman undergoes elective surgery to alter her appearance days later she s shocked to see her former body climbing onto a public bus In *The Glass Bottle Trick* the young protagonist ignores her intuition regarding her new husband s superstitions to horrifying consequences Hopkinson s unique pacing and vibrant dialogue sets a steady beat for stories that illustrate why she received the John W Campbell Award for Best New Writer Entertaining challenging and alluring *Skin Folk* is not to be missed Praise for Nalo Hopkinson and the World Fantasy Award winning *Skin Folk* Hopkinson s prose is vivid and immediate The Washington Post Book World An important new writer The Dallas Morning News Her descriptions of ordinary

people finding themselves in extraordinary circumstances ring true the result of her strong evocation of place and her ear for dialect Publishers Weekly A marvelous display of Nalo Hopkinson s talents skills and insights into the human conditions of life especially of the fantastic realities of the Caribbean Everything is possible in her imagination Science Fiction Chronicle
