Sustaining Joy:

Fallenness, Sustainment, and Judgment Albert R. Portillo, 2025-01-21 This book seeks to establish a basis for coherency in Qohelet's theological appeal by analyzing a thematic trajectory underpinned by the rhetoric of Qohelet's emphasis on vanity, joy, and judgment. These emphases follow what have been labeled projectile themes which aim at particular points of Qohelet's message, carrying the audience through Qohelet's flow of thought. These thoughts are deeply correlated and best recognized as the substance forming Qohelet's framework from which Qohelet's teaching flows. In other words, Qohelet's thoughts revealed by his thematic emphases and endpoint function as an evangelistic appeal to a theological worldview whereby the minds and hearts of his audience are directed to a present and future reality in the fear of God concept. This present and future reality follows the premise that humanity enters a fallen world; God sustains humanity amid the fallenness, and God preserves the lives of those who fear him on the day of judgment. What is ultimately discovered is that coherence in the course followed by the projectile themes of fallenness, sustainment, and judgment forms a framework guiding a trajectory in Qohelet, aiming at an appeal to righteous living and eschatological hope. **The Pursuit of Happiness** Neria

Potter, 2024-01-24 *The Pursuit of Happiness: Creating a Life You Love* is a captivating exploration of the journey towards fulfillment and joy. Readers are guided on a transformative quest to uncover their passions, cultivate meaningful relationships, and embrace authenticity. From self-discovery to intentional living, each chapter offers actionable steps to help readers create a life filled with purpose, contentment, and lasting happiness. Join this inspiring journey and discover the keys to unlocking a life you truly love. [Active Brave Conversations](#) Andrew B. Campbell, 2025-08-25 Drawing on the work and experience of more than a dozen educators and activists, this timely book explores a range of ways to engender and nurture belonging. Full of practical strategies and activities to add to educators and leaders' toolboxes, it deals with many aspects of inclusion, including dismantling racism and using strength-based approaches to practice culturally relevant and responsive education. Promoting belonging as positive and joyful, real-life examples and stories support the idea that educators can learn, unlearn, and relearn their approach to making classrooms a place of learning for all. *Global Witness Through Weakness* Joseph M. Lear, 2025-04-18 The apostle Paul is recognized as the paramount example of what it means to be a Christian missionary committed to the cause of Christ. In his Second Epistle to the Corinthians, we read of the struggles he endured in establishing the church in Corinth. These struggles gave rise to his exposé of his own paradoxical life and ministry based on his firm conviction that strength only comes through weakness. Paul, in his confessed weakness, poured out his life as a participant in the sufferings and death of the Savior. He believed that only in such participation would resurrection, grace, and power be released for the salvation of lost humanity. This letter is a powerful blueprint for missionary training institutes and sending agencies as they prepare, select, and send missionaries to the four corners of the earth. **The Art of Happiness:**
