F. Kuang,2024-11-26 From the 1 New York Times bestselling author of Babel and Yellowface comes an all new fully illustrated collector s edition of R F Kuang s debut novel The Poppy War Considered one of Time Magazine s 100 Best Fantasy Books of All Time the story of orphaned Rin s rise to power gets a fresh look with black and white interior art by JungShan throughout When Rin aced the Keju the Empire wide test to find the most talented youth to learn at the Academies it was a shock to everyone to the test officials who couldn t believe a war orphan from Rooster Province could pass without cheating to Rin s guardians who believed they d finally be able to marry her off and

further their criminal enterprise and to Rin herself who realized she was finally free of the servitude and despair that had made up her daily existence That she got into Sineward the most elite military school in Nikan was even more surprising But surprises aren't always good Because being a dark skinned peasant girl from the south is not an easy thing at Sineward Targeted from the outset by rival classmates for her color poverty and gender Rin discovers she possesses a lethal unearthly power an aptitude for the nearly mythical art of shamanism Exploring the depths of her gift with the help of a seemingly insane teacher and psychoactive substances Rin learns that gods long thought dead are very much alive and that mastering control over those powers could mean more than just surviving school For while the Nikara Empire is at peace the Federation of Mugen still lurks across a narrow sea The militarily advanced Federation occupied Nikan for decades after the First Poppy War and only barely lost the continent in the Second And while most of the people are complacent to go about their lives a few are aware that a Third Poppy War is just a spark away Rin's shamanic powers may be the only way to save her people But as she finds out more about the god that has chosen her the vengeful Phoenix she fears that winning the war may cost her humanity and that it may already be too late
