*The Story of the Waters* Richard Lucas, 2013-09-11 In the Story of the Waters I will demonstrate where the teachings of the Bible and the teachings of science almost seem to merge Faith truly is the substance of things not seen Science tries to tell the story of the beginning of the universe and how everything came to be Well the Bible tells that story too but when it comes to looking back to that very first moment when there was no singularity the Bible completes that story One of the first arguments on this subject is usually how could God have made all of this in just 7 days when the universe is billions of years old I believe this is
