**Dreams to Reality** Louston Fountain,2018-08-28 This small book of poetry entitled Dreams to Reality exhibits the gift God has given to me The content of this material stems from my interactions with others various situations I have found myself entangled with and the different situations family and friends have encountered It would appear that when we find ourselves at our lowest points in life in our deepest valleys God is there guiding and directing us He inspires us according to his will What he has planned for our lives It is to no avail that the material you are about to read was inspired by the Holy Father I trust that this material inspires and enlightens you that it influences you to see the world from a positive prospective and that it draws you closer to the Holy Father that you may be receptive in receiving the love and blessings that he has stored up for you as you continue on the Christian journey as you await for his return

The Bleeding Heart Shellbie Breaux,2021-06-10 The Bleeding Heart The Eternal Love Novels By Shellbie Breaux What would you do in a world that was not what it seemed In a world that our deepest darkest fears and the boogie monsters that we swore were under our beds at night were real Join me in a story about a girl that should have never existed and a guy that was disowned by his pack and left to fight for himself What will happen and is love to overcome all boundaries and taboos of their world My feet pounding against the ground My heart racing to keep up I ran I ran as hard I could I can t fail I thought I can t fail her she must live for Abigail she must live for all who suffered at the hands of those monsters His speed slowed at the memory of his beautiful wife that died only a couple hours ago giving birth to his one and only baby girl FLEE His Bain screamed at him They are right behind me RUN He could sense his pursuit behind him he could hear them thrashing through the forest screaming at and cursing as they chased him He increased his speed Yes he thought chase me because every step you take is a step away from my angel Isabella you will not have her Give up they screamed behind me there is nowhere to run you will burn for the crimes you committed against your race He couldn t help but laugh at that as he ran through the thick brush and undergrowth of the forest in the northern mountains of Montana he laughed so hard he almost lost his footing gathering his wits again he screamed over his shoulder If loving another is a crime then I would do it a thousand times more The Bleeding Heart follows a young lady who progresses through life that is constantly challenging her in her mortality her personality and basically everything about her It throws obstacles at her that normal people probably wouldn t get over and with her It makes her personality and her overall character grow in to a story line hero even though she doesn t really want to be a hero The Bleeding Heart reminds us that we should never think we don t have a voice and even though this life may make us seem as if we are on a rollercoaster going up and down and we can t seem to stop we can t seem to make anything go right we do have people who surround us who care enough about us to help
