

# DUE PROCESS

## DEFINITION

Due process is a fundamental principle of law designed to protect the rights of individuals from arbitrary and unjust actions of the government.

Before any person can be deprived of life, liberty, or property, they must be given notice of the charges against them and an opportunity to be heard in an impartial tribunal.

## EXAMPLES

- **Miranda Rights:** For due process, most nations insist that people should be informed of their rights. If not, then due process is violated. A great example of this is Miranda rights in the USA.
- **Right to an Attorney:** In order for due process to be executed, most nations allow people to have an attorney represent them in court.
