Redeeming Time Walter P. Herz, 1999. Congregational reevaluation and right relation among communities are the goals of the UUA trustees proposed four-year process called Fulfilling the Promise. Redeeming Time was put together as a tool for use by Unitarian Universalist congregations in their quest to reestablish a spiritually grounded interdependent web of congregations. The central idea in this work is to reconnect with the concept of a covenant—the promise of support and accountability which is foundational to a liberal religious community. Includes helpful sample covenants and discussion questions ideal for workshops and adult religious education classes. [Nursing Homes](#)
