Women In Communication A Biographical Sourcebook:

Women in Communication Nancy Signorielli,1996-11-14 Profiles outstanding women in communication including pioneers in journalism contemporary media professionals and scholars The Northeastern Dictionary of Women's Biography Jennifer S. Uglow,1999 The most comprehensive reference book of its kind with more than 60 new entries in this third edition The Palgrave Macmillan Dictionary of Women's Biography J. Uglow,M. Hendry,2005-03-08 The Palgrave Macmillan Dictionary of Women s Biography contains details of the lives of over 2100 women from all periods cultures and walks of life from queens to TV chefs engineers to stand up comics pilots to poisoners With subsections for further reading comprehensive subject index and a bibliographical survey this dictionary of women s biography is an invaluable reference source Communication Yearbook 35 Charles T. Salmon,2012-03-28 Communication Yearbook 34 continues the tradition of publishing state of the discipline literature reviews and essays Editor Charles T Salmon presents a volume that is highly international and interdisciplinary in scope with authors and chapters representing the broad global interests of the International Communication Association The volume is organized into three sections pertaining to interdisciplinary theory normative ideals and political realities and communication and societies in transition Internationally renowned scholars serve as respondents for the three sections With a blend of chapters emphasizing timely public policy concerns and enduring theoretical questions this volume will be valuable to scholars throughout the discipline of communication studies **The International History of Communication Study** Peter Simonson,David W. Park,2015-10-14 The International History of Communication Study maps the growth of media and communication studies around the world Drawing out transnational flows of ideas institutions publications and people it offers the most comprehensive picture to date of the global history of communication research and education This volume reaches into national and regional areas that have not received much attention in the scholarship until now including Asia Latin America Africa and the Middle East alongside Europe and North America It also covers communication study outside of academic settings in international organizations like UNESCO and among commercial and civic groups It moves beyond the traditional canon to cover work by forgotten figures including women scholars in the field and those outside of the United States and Europe and it situates them all within the broader geopolitical institutional and intellectual landscapes that have shaped communication study globally Intended for scholars and graduate students in communication media studies and journalism this volume pushes the history of communication study in new directions by taking an aggressively international and comparative perspective on the historiography of the field Methodologically and conceptually the volume breaks new ground in bringing comparative transnational and global frames to bear and puts under the spotlight what has heretofore only lingered in the penumbra of the history of communication study **The Macmillan Dictionary of Women's Biography** Jennifer S.
