Squatters Rites

Tobias Bleicker

Squatters Rites:

Squatter's Republic Tamara Venit Shelton, 2013-11-22 Who should have the right to own land and how much of it A Squatter's Republic follows the rise and fall of the land question in the Gilded Age and the rise and fall of a particularly nineteenth century vision of landed independence More specifically the author considers the land question through the anti monopolist reform movements it inspired in late nineteenth century California The Golden State was a squatter's republic a society of white men who claimed no more land than they could use and who promised to uphold agrarian republican ideals and resist monopoly the nemesis of democracy Their opposition to land monopoly became entwined with public discourse on Mexican land rights industrial labor relations immigration from China and the rise of railroad and other corporate monopolies

Really Free Culture, Baba Batra Jacob Neusner, 1984 Edited by the acclaimed scholar Jacob Neusner this thirty five volume English translation of the Talmud Yerushalmi has been hailed by the Jewish Spectator as a project of immense benefit to students of rabbinic Judaism

Country Reports on Human Rights Practices, 1997

A Standard History of Lake County, Indiana, and the Calumet Region William Frederick Howat, 1915

A Comprehensive History of the Church of Jesus Christ of Latter-day Saints Brigham Henry Roberts, 1930

Official Reports of the Debates of the House of Commons of the Dominion of Canada Canada. Parliament. House of Commons, 1928

Justice Stephen Field Paul Kens, 1997 Outspoken and controversial Stephen Field served on the Supreme Court from his appointment by Lincoln in 1863 through the closing years of the century No justice had ever served longer on the Court and few were as determined to use the Court to lead the nation into a new and exciting era Paul Kens shows how Field ascended to such prominence what influenced his legal thought and court opinions and why both are still very relevant today One of the famous gold rush forty niners Field was a founder of Marysville California a state legislator and state supreme court justice His decisions from the state bench and later from the federal circuit court often placed him in the middle of tense conflicts over the distribution of the land and mineral wealth of the new state Kens illuminates how Field's experiences in early California influenced his jurisprudence and produced a theory of liberty that reflected both the ideals of his Jacksonian youth and the teachings of laissez faire economics During the time that Field served on the U S Supreme Court the nation went through the Civil War and Reconstruction and moved from an agrarian to an industrial economy in which big business dominated Fear of concentrated wealth caused many reformers of the time to look to government as an ally in the preservation of their liberty In the volatile debates over government regulation of business Field became a leading advocate of substantive due process and liberty of contract legal doctrines that enabled the Court to veto state economic legislation and heavily influenced constitutional law well into the twentieth century In the effort to curb what he viewed as the excessive power of government Field tended to side with business and frequently came into conflict with reformers of his era Gracefully written and filled with sharp insights Kens study sheds new light on Field's role in helping the Court define the nature of liberty and determine

the extent of constitutional protection of property By focusing on the political economic and social struggles of his time it explains Field s jurisprudence in terms of conflicting views of liberty and individualism It firmly establishes Field as a persuasive spokesman for one side of that conflict and as a prototype for the modern activist judge while providing an important new view of capitalist expansion and social change in Gilded Age America
