**By You For You** Ankitaa Gupta,2019-05-26 God has given us life and he fills our life with abundance Abundance in every form whether it is His love hatred forgiveness revenge and most importantly his healings This book is a mental journey from what we were what we are going through and what we have become after handling endless bearings of this world This book is a light on the fact that whatever happens happens for a reason and we all ought to go with the flow It shows the path to save ourselves from being a victim It is a realization towards the end that the good and bad are all momentary and we must bear them with calmness The book would guide us to live life without the element of criticism

**Proceedings from Philosophy of Love Volume 1 Spring 2017** Dana Trusso,2017-06-14 Philosophy of Love is one of many courses offered at LaGuardia Community College CUNY in the Philosophy and Critical Thinking Program The journal is a collection of student work inspired by the readings and discussions from HUP 215 during the Spring 2017 semester Inside you will find each student s final paper along with a critical review and a response from the author The format reflects the dialectical process that we embarked on during class discussions up and down the ladder of love The ascent is a challenging struggle The dialectic continues motivated by a love for wisdom self and others chiseling away as we sculpt our characters in the pursuit of the good life

**The Light, the Truth and the Way** Sandy Acharjee,2011-02 About the Book The author was born and raised in an orthodox Hindu family Like most of us he was busy with his family career and day to day activities Then suddenly out of the blue in the ICU room of a modern hospital he had a Code Blue experience when he unexpectedly departed this world for a period of three days This book and his earlier book Code Blue 99 are written per God s instructions whom he met during the traumatic period of his life This is a miraculous true story and the author is a living testimony of what truly transpires after our physical death here on earth There should be no doubt for anyone that both the Heaven and the Hell exist in our after life The author has witnessed both of them Based on his afterlife experience he has found that it is

very easy to enter into the Hell But it is extremely difficult to enter into the Heaven as he witnessed the one and the only narrow entrance door This book solidifies the Truth by unfolding the blindfolds of our life tells who we really are the real purpose of our life here on earth and what is expected of us in order to enter into the Heavenly Kingdom It is all based on the author s firsthand experience and personal encounter with the Divine Light It also details the two opposite worlds that exist both here on earth and beyond this life Finally it reiterates his face to face conversation with the Lord who sent him back to the earth to share His Instructions for everyone whether they be believers or non believers This book is a Must Read for everyone It uncovers The Light The Truth and The Way the only Way

**WHY DO YOU NOT BELIEVE?** Andrew Murray,Edward D. Andrews,2020-01-18 The only way in which anyone can become a genuine disciple of Jesus Christ is to exercise a divinely given faith in the once crucified but now glorified Son of God a faith that quickens the soul fills it with the mind of Christ and so unites them to Jesus forever Murray Andrews well know that the means for arriving at faith is the Word of God It is the question often asked by the Master Jesus Christ which brings us to the title of the book If I speak the truth why do you not believe John 8 46 Assured like the apostle Paul as taught by the Lord that the only mode for receiving forgiveness of sins and inheritance among them that are sanctified is faith in Christ Acts 26 18 Therefore Murray Andrews concentrate their writings on the anxious soul onto the Savior on the one hand and the necessity and power of faith in his own heart on the other By this means they expect that under the working of the Spirit through the Word of God the reader will be led to more fully live their life in faith the faith which is in the Son of God who loved you and gave Himself up for you Gal 2 20 This little book will play a valuable part in our modern Christian faith no doubt with its lessons helping Christians to grow spiritually This book will awaken the need for a vital bond between Christ and the readers leading them to a stronger faith which is so richly needed today

**Faith** Wendell Wyman Bonner Ph.D,2022-11-01 For the believer who is serious about living in the fulness of God s glory and experiencing walking in the footsteps of God this book may help you tremendously in seeing that glory manifested in you and around you Are you yearning to tap into the profound power of God inside of you Are you desperate in desiring to completely live inside of a peace that passes all understanding If so this book may be God s message to you in how to relax and melt into it You will learn in this book that faith is a lifestyle and not just a vehicle for miracles to occur in your life Faith is a lifestyle of rest and reliance on God to do everything He has promised for His children Faith is not something that you work at having it is a gift that you just relax and let do its thing However you may not have been taught to just relax and let God If not this will help you gain intellectual insight to facilitate spiritual release to walk in heavenly places in Christ Jesus Faith empowers you but what does that look like Faith emboldens you but how will you know it Faith relaxes you but how do you rest in it Faith molds you but who and what are you becoming This book will help you with scriptural answers to these questions
