Witch Hunt

B Lingard

Witch Hunt:

Witch Hunts in Europe and America William E. Burns, 2003-10-30 From early sorcery trials of the 14th century associated primarily with French and Papal courts to the witch executions of the late 18th century this book's entries cover witch hunting in individual countries major witch trials from Chelmsford England to Salem Massachusetts and significant individuals from famous witches to the devout persecutors Entries such as the evil eye familiars and witch finders cover specific aspects of the witch hunting process while entries on writers and modern interpretations provide insight into the current thinking on early modern witch hunts From the wicked witch of children's stories to Halloween and present day Wiccan groups witches and witchcraft still fascinate observers of Western culture Witches were believed to affect climatological catastrophes put spells on their neighbors and cavort with the devil In early modern Europe and the Americas witches and witch hunting were an integral part of everyday life touching major events such as the Reformation and the Scientific Revolution as well as politics law medicine and culture

The Witch Hunts Robert Thurston, 2013-11-26 Tens of thousands of people were persecuted and put to death as witches between 1400 and 1700 the great age of witch hunts Why did the witch hunts arise flourish and decline during this period What purpose did the persecutions serve Who was accused and what was the role of magic in the hunts This important reassessment of witch panics and persecutions in Europe and colonial America both challenges and enhances existing interpretations of the phenomenon Locating its origins 400 years earlier in the growing perception of threats to Western Christendom Robert Thurston outlines the development of a persecuting society in which campaigns against scapegoats such as heretics Jews lepers and homosexuals set the scene for the later witch hunts He examines the creation of the witch stereotype and looks at how the early trials and hunts evolved with the shift from accusatory to inquisitorial court procedures and reliance upon confessions leading to the increasing use of torture

Witch Hunt Kristen J. Sollee, 2020-10-05 A transcendent travelogue that guides readers through the history places and people of several of the many witch hunts and how their legacy continues to impact us today Pam Grossman author of *Waking the Witch Reflections on Women Magic and Power* Traveling through cities and sites across Italy France Germany Ireland the United Kingdom and the United States Kristen J. Sollee explores the places and people significant to the early modern legacy of the witch Between the 15th and 17th centuries a confluence of political economic and religious factors ignited a wildfire of witch hysteria in Europe and later in parts of America At the heart of these witch hunts were often dangerous misconceptions about femininity and female sexuality and women were disproportionately punished as a result Today this lineage of oppression remains a vital reference point in the fight for women's rights and human rights in the Western world and beyond By infusing an adventurous first person narrative with extensive research and moments of imaginative historical fiction Sollee author of *Witches Sluts Feminists* makes an often overlooked period of history come alive Written for armchair travelers and on the ground explorers alike *Witch Hunt* not only uncovers the horrors of history but how

the archetype of the witch has been rehabilitated For witches are not just haunting figures of the past the witch is also a liberatory icon and identity of the present This paperback edition includes a new afterword by the author and an updated travel resources section

Witches and Witch-Hunts Wolfgang Behringer,2004-09-03 In this major new book Wolfgang Behringer surveys the phenomenon of witchcraft past and present Drawing on the latest historical and anthropological findings Behringer sheds new light on the history of European witchcraft while demonstrating that witch hunts are not simply part of the European past Although witch hunts have long since been outlawed in Europe other societies have struggled with the idea that witchcraft does not exist As Behringer shows witch hunts continue to pose a major problem in Africa and among tribal people in America Asia and Australia The belief that certain people are able to cause harm by supernatural powers endures throughout the world today Wolfgang Behringer explores the idea of witchcraft as an anthropological phenomenon with a historical dimension aiming to outline and to understand the meaning of large scale witchcraft persecutions in early modern Europe and in present day Africa He deals systematically with the belief in witchcraft and the persecution of witches as well as with the process of outlawing witch hunts He examines the impact of anti witch hunt legislation in Europe and discusses the problems caused in societies where European law was imposed in colonial times In conclusion the relationship between witches old and new is assessed This book will make essential reading for all those interested in the history and anthropology of witchcraft and magic

The European Witch-Hunt Julian Goodare,2016-05-12 The European Witch Hunt seeks to explain why thousands of people mostly lower class women were deliberately tortured and killed in the name of religion and morality during three centuries of intermittent witch hunting throughout Europe and North America Combining perspectives from history sociology psychology and other disciplines this book provides a comprehensive account of witch hunting in early modern Europe Julian Goodare sets out an original interpretation of witch hunting as an episode of ideologically driven persecution by the godly state in the era of the Reformation and Counter Reformation Full weight is also given to the context of village social relationships and there is a detailed analysis of gender issues Witch hunting was a legal operation and the courts rationale for interrogation under torture is explained Panicking local elites rather than central governments were at the forefront of witch hunting Further chapters explore folk beliefs about legendary witches and intellectuals beliefs about a secret conspiracy of witches in league with the Devil Witch hunting eventually declined when the ideological pressure to combat the Devil s allies slackened A final chapter sets witch hunting in the context of other episodes of modern persecution This book is the ideal resource for students exploring the history of witch hunting Its level of detail and use of social theory also make it important for scholars and researchers

Witch-Hunt Marc Aronson,2003-12-02 Publisher Description *The Witch-Hunt in Early Modern Europe* Brian P. Levack,2013-11-05 Between 1450 and 1750 thousands of people most of them women were accused prosecuted and executed for the crime of witchcraft The witch hunt was not a single event it comprised thousands of individual prosecutions

each shaped by the religious and social dimensions of the particular area as well as political and legal factors Brian Levack sorts through the proliferation of theories to provide a coherent introduction to the subject as well as contributing to the scholarly debate The book Examines why witchcraft prosecutions took place how many trials and victims there were and why witch hunting eventually came to an end Explores the beliefs of both educated and illiterate people regarding witchcraft Uses regional and local studies to give a more detailed analysis of the chronological and geographical distribution of witch trials Emphasises the legal context of witchcraft prosecutions Illuminates the social economic and political history of early modern Europe and in particular the position of women within it In this fully updated third edition of his exceptional study Levack incorporates the vast amount of literature that has emerged since the last edition He substantially extends his consideration of the decline of the witch hunt and goes further in his exploration of witch hunting after the trials especially in contemporary Africa New illustrations vividly depict beliefs about witchcraft in early modern Europe

Witch Hunt Nigel Cawthorne,2004 Examines the persecution and religious hysteria about alleged witches that occurred in Europe and colonial America between 1450 and 1750 Witch-hunting in Seventeenth-century New England : a Documentary History, 1638-1693 David D. Hall,1999 This documentary collection details the history of witch hunting in 17th century New England beginning in 1638 through the 1692 Salem witch trials and the 1693 Stamford Fairfield Connecticut witch hunt Hall American religious history Harvard Divinity School provides an introduction to the history of witch hunting in New England discussing its lore the gendered nature of the hunts and the social and economic issues at stake He also introduces each group of documents providing specifics about the characters and the background to the case Annotation copyrighted by Book News Inc Portland OR Writing Witch-Hunt Histories Marko Nenonen,Raisa Maria Toivo,2013-10-02 This book gives an analytical review of the history of witch hunt historiography So far not much attention has been paid to how the European witch hunts have been studied and explained in some 150 years of academic research on the issue The history of the approaches and explanations in witch hunt research fundamentally contributes not only to our understanding of the bizarre phenomenon in European history but also contributes to understanding of cultural as well as academic trends which heavily direct any research even when scholars are not cognisant of their underlying premises How and why the picture of witch hunts has been changing in scholarly works and text books is as illuminating an issue as the proper explanations offered by the research works Contributors include Rune Blix Hagen Ronald Hutton Gunnar W Knutsen Marianna G Muravyeva Marko Nenonen Raisa Maria Toivo Charles Zika *Witch Hunt* Carol Dombrowski,Scholastic Inc,2009 A foundational reading and phonics program designed for the challenged and struggling readers Invites students to crack the code and master the 44 sounds and 26 letters that make up the English language *Witch-Hunt* Clifton W. Wilcox,Clifton Wilcox,2012-03

The Scottish Witch-Hunt in Context Julian Goodare,2002-09-21 This book is a collection of essays on Scottish witchcraft and witch hunting which covers the whole period of the Scottish witch hunt from the mid 16th century to the early 18th It

particularly emphasizes the later stages since scholars are now as keen to explain why witch hunting declined as why it occurred There are studies of particular witchcraft panics including a reassessment of the role of King James VI The book thus covers a wide range of topics concerned with Scottish witch hunting and also places it in the context of other topics gender relations folklore magic and healing and moral regulation by church and state **Witch Hunts** Robert Rapley,2007-02-09 Witch hunts are the products of intense fear and paranoia and the results are often terrible The accused in three famous witchcraft cases in Bamberg and Wurzburg Germany in Loudun France and in Salem Massachusetts were assumed to be guilty without proof Secret accusations were accepted evidence was falsified and extreme pressures including torture were used Arguing that fear was and still is a prerequisite to any witch hunt Robert Rapley shows that the current hunt for terrorists mirrors the witch crazes of the past *Witch Hunts* Rocky Wood,Lisa Morton,2014-01-10 For three centuries as the Black Death rampaged through Europe and the Reformation tore the Church apart tens of thousands were arrested as witches and subjected to torture and execution including being burned alive This graphic novel examines the background the witch hunters methods who profited the brave few who protested and how the Enlightenment gradually replaced fear and superstition with reason and science Famed witch hunters Heinrich Kramer architect of the infamous Malleus Maleficarum and Matthew Hopkins England s notorious Witchfinder General are covered as are the Salem Witch Trials and the last executions in Europe **Witch-Hunt** Linda Jones,2011-07-12 Who was Alice And why had she cursed the Fletchers to the effect that no first born has inherited Springfield for over three hundred years Dorcas Meadows has personal reasons for solving the mystery not least because she is in love with the heir She has a strange affinity to the house She knows things she cannot explain But Springfield will not yield up its secrets easily Family connections and old enmities coincidences and parallels lure and confound the searchers Can they find an answer before Miles Fletcher meets an untimely end **Death in Salem** Diane Foulds,2013-08-06 Salem witchcraft will always have a magnetic pull on the American psyche During the 1692 witch trials more than 150 people were arrested An estimated 25 million Americans including author Diane Foulds are descended from the twenty individuals executed What happened to our ancestors Death in Salem is the first book to take a clear eyed look at this complex time by examining the lives of the witch trial participants from a personal perspective Massachusetts settlers led difficult lives every player in the Salem drama endured hardships barely imaginable today Mercy Short one of the bewitched girls watched as Indians butchered her parents Puritan minister Cotton Mather outlived all but three of his fifteen children Such tragedies shaped behavior and as Foulds argues ultimately played a part in the witch hunt s outcome A compelling who s who to Salem witchcraft Death in Salem profiles each of these historical personalities as it asks Why was this person targeted Witch-Hunting in Seventeenth-Century New England David D. Hall,2005-02-04 This superb documentary collection illuminates the history of witchcraft and witch hunting in seventeenth century New England The cases examined begin in 1638 extend to the Salem outbreak in 1692 and document for the first

time the extensive Stamford Fairfield Connecticut witch hunt of 1692 1693 Here one encounters witch hunts through the eyes of those who participated in them the accusers the victims the judges The original texts tell in vivid detail a multi dimensional story that conveys not only the process of witch hunting but also the complexity of culture and society in early America The documents capture deep rooted attitudes and expectations and reveal the tensions anger envy and misfortune that underlay communal life and family relationships within New England s small towns and villages Primary sources include court depositions as well as excerpts from the diaries and letters of contemporaries They cover trials for witchcraft reports of diabolical possessions suits of defamation and reports of preternatural events Each section is preceded by headnotes that describe the case and its background and refer the reader to important secondary interpretations In his incisive introduction David D Hall addresses a wide range of important issues witchcraft lore antagonistic social relationships the vulnerability of women religious ideologies popular and learned understandings of witchcraft and the devil and the role of the legal system This volume is an extraordinarily significant resource for the study of gender village politics religion and popular culture in seventeenth century New England

The Salem Witch Hunt Captivating History,2019-11-03 Decades after witch hunting had begun to die down in Europe North America was about to witness its bloodiest witch hunt in history The Massachusetts of 1692 was a very different one to the state we know today Populated by colonists many of them a generation or less from life in an England bathed in religious turmoil

Servants of Satan Joseph Klaits,1987-02-22 This is the first book to consider the general course and significance of the European witch craze of the sixteenth and seventeenth centuries since H R Trevor Roper s classic and pioneering study appeared some fifteen years ago Drawing upon the advances in historical and social science scholarship of the past decade and a half Joseph Klaits integrates the recent appreciations of witchcraft in regional studies the history of popular culture anthropology sociology and psychology to better illuminate the place of witch hunting in the context of social political economic and religious change In all Klaits has done a good job Avoiding the scandalous and sensational he has maintained throughout with sensitivity and economy an awareness of the uniqueness of the theories and persecutions that have fascinated scholars now for two decades and are unlikely to lose their appeal in the foreseeable future

American Historical Review This is a commendable synthesis whose time has come fascinating The Sixteenth Century Journal comprehensive and clearly written An excellent book Choice Impeccable research and interpretation stand behind this scholarly but not stultifying account Booklist A good solid general treatment Erik Midelfort *Servants of Satan* is a well written easy to read book and the bibliography is a good source of secondary materials for further reading Journal of American Folklore
