Heinrich Godfrey Kramer

Witchs Hammer:

Malleus Maleficarum Heinrich Institoris, Jakob Sprenger, 1970 [The Hammer of Witches: Malleus Maleficarum](#)
Heinrich Kramer, 2018-02-07 The Malleus Maleficarum or Hammer of Witches is the best known and the most important treatise on witchcraft It endorses extermination of witches and for this purpose develops a detailed legal and theological theory It was a bestseller second only to the Bible in terms of sales for almost 200 years It was written by the Catholic clergyman Heinrich Kramer and first published in 1487 The Malleus elevates sorcery to the criminal status of heresy and prescribes inquisitorial practices for secular courts in order to extirpate witches The recommended procedures include torture to effectively obtain confessions and the death penalty as the only sure remedy against the evils of witchcraft At that time it was typical to burn heretics alive at the stake and the Malleus encouraged the same treatment of witches The book had a strong influence on culture for several centuries It was later used by royal courts during the Renaissance and contributed to the increasingly brutal prosecution of witchcraft during the 16th and 17th centuries [The Hammer of Witches](#) Christopher S. Mackay, 2009-05-28 The Malleus Maleficarum first published in 1486 7 is the standard medieval text on witchcraft and it remained in print throughout the early modern period Its descriptions of the evil acts of witches and the ways to exterminate them continue to contribute to our knowledge of early modern law religion and society Mackay s highly acclaimed translation based on his extensive research and detailed analysis of the Latin text is the only complete English version available and the most reliable Now available in a single volume this key text is at last accessible to students and scholars of medieval history and literature With detailed explanatory notes and a guide to further reading this volume offers a unique insight into the fifteenth century mind and its sense of sin punishment and retribution [Hammer of the Witches](#) Heinrich Kramer, 2016-09-12 Hammer of the Witches Malleus Maleficarum 1486 A Treatise on the Prosecution of Witches Written in 1486 by Heinrich Kramer amd Translated by Montague Summers Magic sorcery and witchcraft had long been condemned by the Church whose attitude towards witchcraft was explained in the canon Episcopi written in about 900 AD It stated that witchcraft and magic did not really exist and that those who believed in such things had been seduced by the Devil in dreams and visions into old pagan errors Until about 1400 it was rare for anyone to be accused of witchcraft but heresies had become a major problem within the Church by the 13th century and by the 15th century belief in witches was widely accepted in European society Those convicted of witchcraft typically suffered penalties no more harsh than public penances such as a day in the stocks but their persecution became more brutal following the publication of the Malleus Maleficarum as witchcraft became increasingly accepted as a real and dangerous phenomenon It has been recognized even from the very earliest times during the first gropings towards the essential conveniences of social decency and social order that witchcraft is an evil thing an enemy to light an ally of the powers of darkness disruption and decay Sometimes no doubt primitive communities were obliged to tolerate the witch and her works owing to fear in other words witchcraft was a kind of

blackmail but directly Cities were able to to co ordinate and it became possible for Society to protect itself precautions were taken and safeguards were instituted against this curse this bane whose object seemed to blight all that was fair all that was just and good and that was well appointed and honourable in a word whose aim proved to be set up on high the red standard of revolution to overwhelm religion existing order and the comeliness of life in an abyss of anarchy nihilism and despair

The Malleus Maleficarum Heinrich Kramer,2007-12 Also known as The Witch Hammer The Malleus Maleficarum was a handbook for hunting and punishing witches written by Inquisitors HEINRICH KRAMER c 1430 1505 an Alsatian clergyman and JAMES SPRENGER c 1436 1494 a Swiss monk to assist the Inquisition and Church in exterminating undesirables Mostly a compilation of superstition and folklore the book was taken very seriously at the time it was written in the 15th century and became a kind of spiritual law book used by judges to determine the guilt of the accused While some of the articles covered in The Witch Hammer are humorous to modern audiences they were a matter of life and death in the mid 1400 s Anyone interested in religion the Inquisition or the witch hunts that ravaged Europe will find this 1928 translation by MONTAGUE SUMMERS 1880 1948 an unbelievable and enlightening read

Malleus Maleficarum - The Witch Hammer James Sprenger,Heinrich Kramer,2016-11-30 The Malleus Maleficarum is a seminal treatise regarding witchcraft and demons presented here complete with an authoritative translation to modern English by Montague Summers At the time this book was published in 1487 the Christian church had considered witchcraft a dangerous affront to the faith for many centuries Executions of suspected witches were intermittent and various explanations of behaviors deemed suspect were thought to be caused by possession either by the devil or demon such as an incubus or succubus Kramer wrote this book after he had tried and failed to have a woman executed for witchcraft Unhappy at the verdict of the court he authored the Malleus Maleficarum as a manual for other witch seekers to refer to For centuries the text was used by Christians as a reference source on matters of demonology although it was not used directly by the Inquisition who became notorious for their tortures and murders Contrary to popular supposition Kramer s work does not exclusively recommend death by burning as a punishment for witches It also describes various methods of exorcism whereby the demonic force may be banished from the body of the suffering witch However the book openly advocates discrimination against women albeit while acknowledging that a minority of witchcraft practitioners are male A theory on why the vast majority of witches are female is posited rooted in the presence of woman in the Biblical canon as with Eve the wife of Adam and Mary the mother of Jesus Christ By the end of the book it is agreed that witches are created from a pact made with the Devil himself with whom they engage in sexual liaisons The witch is then summoned by flight to an evil assembly headed by the Devil encouraged to practice illicit forms of sex and then granted the powers of maleficent magic Decades after the initial publication the name of James Sprenger was credited Scholars disagree on whether he was a meaningful contributor who expanded the core text Whatever the case may be for its thoroughness the Malleus Maleficarum is the single most complete source on Christian attitudes to witchcraft and demons in

existence This translation to English by Montague Summers underwent revision and refinement over the years This edition contains the original introductions wherein the translator explains the process by which he strove for the greatest accuracy possible

Dark History of the Popes Brenda Ralph Lewis,2012-10-31 From corruption to nepotism from crusade to witch burning to Inquisition from popes sanctioning murder to popes being murdered Dark History of The Popes explores more than 1000 years of sinister deeds surrounding the papacy

Man as Witch R. Schulte,2009-06-25 Witch hunts in Central Europe were by no means focused only on women one in four alleged witches was male This study analyzes and describes the witch trials of men in French and German speaking regions opening up a little known chapter of early modern times and revealing the conflicts from which witch hunts of men evolved

Malleus Maleficarum, Or: The Hammer of Witches Heinrich Godfrey Kramer,2011-02-01 Like Hitler s Mein Kampf Kramer and Sprenger s Malleus Maleficarum is a book that is read for historical importance rather than enjoyment As such it should form a part of every thinking person s library as a warning beacon if for no other reason that it is

a seminal textbook on the inhumanity of humanity First written in 1484 and reprinted endlessly Malleus Maleficarum was immediately given the imprimatur of the Holy See as the most important work on witchcraft to date And so it remains a compendium of fifteenth century paranoia all the more frightening for its totalitarian modernity Anything that is done for the benefit of the State is Good In form it is a how to guide on recognizing capturing torturing and executing witches In substance it is a diatribe against women heretics independent thinkers romantic lovers the sensitive passions human sexuality and compassion In writing the Malleus Kramer and Sprenger claimed to be doing God s work These men and those who followed them worshiped only their own arrogance Read it and be afraid Forming a portion of every working law library for 300 years there is no estimate of how many women and men were put to death through the mechanism of this book Some historians estimate that the numbers may run into the millions The text is rife with case law examples of witchcraft some of which are clearly delusional and some downright silly or would be if they hadn t ended in gruesome deaths for the accused Take the case of the poor woman who was burned for offering the opinion that it might rain today shortly before it did Of note are Kramer and Spenger s assertions that prosecutors are conveniently immune to witchcraft and their instructions to Judges to tell the truth to the witch that there will be mercy shown with the mental reservation that death is a mercy to those prisoner to the devil Such twisted logic is the cornerstone of the Malleus The translator Rev Montague Summers waxes rhapsodic on the learning and wisdom of the authors of the Malleus He was apparently of a mind with Kramer and Spenger and wrote two embarrassingly effusive and bigoted introductions in 1928 and 1946 praising the brilliance of this work and its importance in this feministic era Summers commentary is as frightening as anything Kramer and Sprenger wrote in the text proper the more so for being 20th century and particularly post World War Two Like the Papal Bull of VIII which is now considered integral with the Malleus future commentators will make much of the statements of Summers a modern man As a license to kill the Malleus Maleficarum was used too often and far too freely Kramer and Sprenger s madness did not die with them though millions have died because of the madness presented in this book

Witchs Hammer Introduction

In the digital age, access to information has become easier than ever before. The ability to download Witchs Hammer has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Witchs Hammer has opened up a world of possibilities. Downloading Witchs Hammer provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Witchs Hammer has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Witchs Hammer. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Witchs Hammer. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Witchs Hammer, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Witchs Hammer has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers,

free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
