From Jonathan Franzen bestselling author of The Corrections and Crossroads comes his razor sharp translation of Frank Wedekind s major modern play Spring Awakening Featuring an introduction by Franzen First performed in Germany in 1906 Frank Wedekind s controversial play Spring Awakening closed after one night in New York in 1917 amid charges of obscenity and public outrage For the better part of the twentieth century Wedekind s intense body of work was largely unpublished and rarely performed Yet the play s subject matter teenage desire suicide abortion and homosexuality is as explosive and important today as it was a century ago Spring Awakening follows the lives of three teenagers Melchior Moritz and Wendl as they navigate their entry into sexual awareness Unlike so many works that claim to tell the truth of adolescence Spring Awakening offers no easy answers or redemption Today more than a hundred years after the play s first performance a new musical version of this essential modern masterpiece is being hailed as the best new musical in a generation John Heilpern The New York Observer Franzen s rendition of the text for so long poorly served in English is unique in capturing the bizarre and inimitable comic spirit that animates almost every line of this unrelentingly tragic play There couldn t be a better time for this thrilling definitive new translation
