Varvara Stepanova, the Complete Work Aleksandr Nikolaevich Lavrent'ev,Varvara Fedorovna Stepanova,1988 In this first extensive study of her life and work Varvara Stepanova 1894 1958 emerges as a remarkable artist whose versatility energy and contribution to the Russian avant garde matched and in some cases exceeded that of her husband Alexander Rodchenko The book is written and designed by Aleksander Lavrentiev who is the grandson of Rodchenko and Stepanova and the curator of their archive Lavrentiev s text is accompanied by excerpts from Stepanova s own diary with its fresh insights and lively commentary on Soviet art and a memoir by her daughter But the real discovery is the 370 illustrations 45 in color nearly all of which are published here for the first time which reveal an artist startling in her accomplishments Like Rodchenko Stepanova was among the founders of Constructivism a contributor to the famous Moscow 5 x 5 25 exhibition held in 1921 and significant in shaping Russian s visual culture during the turbulent years following the revolution Lavrentiev covers every aspect of Stepanova s production against the complex background of the period The comments in the little oilskin notebook that she kept almost continuously during the 1920s keenly revive the events of the time the illustrations allow us to discover and enjoy the wide range of Stepanova s talents as expressed in paintings and geometric constructions sets and costumes fashion designs posters and typography John Bowlt who has edited the text and written a critical introduction to the book is a leading authority and well known writer on Russian art and culture He is Director of the Institute of Modern Russian Culture at the University of SouthernCalifornia **Textile World** ,1904 *Catalogue of Title-entries of Books and Other Articles Entered in the Office of the Librarian of Congress, at Washington, Under the Copyright Law ...
