In Those Days Myra Jo Golden,2012-10-31 In Those Days is a novel of history prophecy and romance The Bible says But as the days of Noah were so also will the coming of the Son of Man be Matthew 24 37 In other words the last days will be like the days of Noah If you take that literally then they were a society like us an advanced society Is it possible they were smarter than us and perhaps more advanced Did they try to improve us and are some of the genetic problems we see today because of that improvement This is a love story from those days Sharon met Shamie when she was still a young girl She liked him immediately and he liked her Years later when he asked her to come to the project and marry him she was torn She had planned all her life to become a reporter like her parents and she just wasn't ready to give that up

Spirit Dive Michael H. Cottman,1999 When prize winning journalist and avid scuba diver Michael Cottman participated in an underwater expedition to survey the sunken wreck of a slave ship off the coast of Florida he was overwhelmed by powerful feelings of kinship and oneness with his African ancestors As he held in his hands the very shackles that had bound hundreds of men women and children in their tortured passage from their African homeland to America Michael Cottman became determined to tell their stories and the story behind the ship that had carried them away from all they knew and loved **Spirit Dive** takes readers back three centuries and to three continents in order to trace the complex and moving story of the slaves and the slavers We travel to England on the trail of the shipbuilders and the captain and his crew to Goree Island located off the westernmost extension of the African continent near Dakar where the ship almost certainly docked and from which its enslaved passengers would have gotten their last view of their homeland and to the Caribbean where the *Henrietta Marie* sank without a trace until its recent rediscovery gave us a tangible key to one of history s most terrible episodes **Spirit Dive** is a powerful and compelling testament of one man s attempt to make sense of the history of his ancestors chronicling his journey while confronting questions with no answers and striving for reconciliation with his homeland s past and his own country s future

Making Grateful Kids Jeffrey Froh,Giacomo Bono,2015-05-20 If there was a new wonder drug on the market that got kids to behave better improve their

grades feel happier and avoid risky behaviors many parents around the world would be willing to empty their bank accounts to acquire it Amazingly such a product actually does exist It s not regulated by the FDA it has no ill side effects and it s absolutely free and available to anyone at any time This miracle cure is gratitude Over the past decade science has shown that gratitude is one of the most valuable and important emotions we possess and it is a virtue that anyone can cultivate In fact researchers have developed many different methods people can use to foster an attitude of gratitude and the science shows that many of them really work In *Making Grateful Kids* two of the leading authorities on gratitude among young people Jeffrey J Froh and Giacomo Bono introduce their latest and most compelling research announce groundbreaking findings and share real life stories from adults and youth to show parents teachers mentors and kids themselves how to achieve greater life satisfaction through gratitude Most importantly perhaps they expand on this groundbreaking research to offer practical and effective common sense plans that can be used in day to day interactions between kids and adults to enhance success and wellbeing Their unique scientifically based approach for producing grateful youth works whether these kids are very young elementary school students or troubled teenagers Not only does the purposeful practice of gratitude increase their happiness but the research indicates that grateful kids also report more self discipline fulfilling relationships and engagement with their schools and communities when compared to their less grateful counterparts After reading *Making Grateful Kids* parents teachers and anyone who works with youth will be able to connect more meaningfully with kids so that all parties can focus on the things that matter most and in turn create a more cooperative and thriving society
