The Classroom Disaster:

The Classroom Disaster Leslie A. Hart, 1969 The Classroom Disaster Leslie A. HART, 1969 Gone at 3:17 David M. Brown, Michael Wereschagin, 2012-01-01 At 3 17 p m on March 18 1937 a natural gas leak beneath the London Junior Senior High School in the oil boomtown of New London Texas created a lethal mixture of gas and oxygen in the school s basement The odorless colorless gas went undetected until the flip of an electrical switch triggered a colossal blast The two story school one of the nation s most modern disintegrated burying everyone under a vast pile of rubble and debris More than 300 students and teachers were killed and hundreds more were injured As the seventy fifth anniversary of the catastrophe approaches it remains the deadliest school disaster in U S history Few however know of this historic tragedy and no book until now has chronicled the explosion its cause its victims and the aftermath Gone at 3 17 is a true story of what can happen when school officials make bad decisions To save money on heating the school building the trustees had authorized workers to tap into a pipeline carrying waste natural gas produced by a gasoline refinery The explosion led to laws that now require gas companies to add the familiar pungent odor The knowledge that the tragedy could have been prevented added immeasurably to the heartbreak experienced by the survivors and the victims families The town would never be the same Using interviews testimony from survivors and archival newspaper files Gone at 3 17 puts readers inside the shop class to witness the spark that ignited the gas Many of those interviewed during twenty years of research are no longer living but their acts of heroism and stories of survival live on in this meticulously documented and extensively illustrated book

Crisis Prevention and Intervention in the Classroom Victoria B. Damiani, 2006-03-07 Schools are among the safest places in America however every year our school children are affected by stressful events Whether there is war in another country or death in the schoolyard these events can interfere with learning and may have long term effects on children and communities **Crisis Prevention and Intervention in the Classroom** will help teachers avoid prepare for and manage school crises Because of their education experience with children and community awareness teachers are in a special position to help children understand and learn effective ways to cope with trauma With appropriate guidance they can observe signs indicating a student s need for more intense intervention for suicide aggression or depression This book _ Outlines expected reactions to stress for children at different ages _ Suggests ways to help students who are victims of natural disasters family crisis or bullying _ Discusses the roles of various school and community professionals in addressing school crises _ Lists resources and websites that offer support services to teachers _ Provides tips to manage teacher stress when coping with school crisis events *School Disaster Aid Legislation, 1965* United States. Congress. Senate. Committee on Labor and Public Welfare.
