INDOMITABLE FIGHTING SPIRIT...  
BRILLIANT SKILL... THE MEN  
WHO FLEW THE SWORDFISH.**

By 1945 the Fleet Air Arm's Swordfish aircraft, nicknamed "the Stringbags," were a legend, the unlikely heroes of World War II. Their heroic actions and the astonishing courage of the small band of men who flew them helped change the course of the war. Commander Charles Lamb fought in the thick of the action. He was in the front line of the Stringbags' most daring missions: mine-laying and U-boat hunting over northern Europe, harrying E-boats at Dunkirk, pathfinding at the famous battle of Taranto. *To War in a Stringbag*, his bestselling account, memorably captures those dangerous and dramatic years.

Roberts, 2015-08-11 In the context of their war experience in the First World War the changes and developments of the Executive branch of the Royal Navy between the world wars are examined and how these made them fit for the test of the Second World War are critically assessed Past to Present William Stevenson, 2012-09-04 William Stevenson may be best known for his friendship with and books about another William Stephenson otherwise known as Intrepid whose spy network and secret diplomacy changed the course of history Originally published in 1976 *A Man Called Intrepid* sold over 2 million copies and quickly became a New York Times bestseller However

readers will be just as fascinated by his life's story and adventures. Stevenson chronicles the major events of his life beginning with his daring and dangerous time as a naval pilot during WWII flying a multitude of legendary aircraft: Tiger Moth, Seafire, Hellcats, and learning various maneuvers in the skies enroute to Russia, over England, Canada, Scotland, and the Pacific. After the war, still yearning for adventure, he returns to Canada to write for *The Toronto Daily Star*, where he again meets William Stephenson, aka Intrepid, on assignment and develops a lifelong friendship. Stevenson travels the globe, visiting Hong Kong, Delhi, Kashmir, Kenya, Kuala Lumpur, Moscow, Thailand, and many other exotic locales where he meets iconic figures such as Ian Fleming, Prime Minister Nehru, Ho Chi Minh, Chiang Kai-shek, Mao Tse-tung, Zhou Enlai, Tito, Khrushchev, and the King of Thailand, among others. Privy to confidential information full of international intrigue, Stevenson is a living embodiment of modern history. Past to Present with story after amazing story to tell, will leave the reader breathless.

Dad's Army Goes to War Melody Foreman, 2024-12-30. For decades, the classic evergreen BBC comedy *Dad's Army* has entertained millions of viewers around the world. But the farcical antics of Walmington-on-Sea's bumbling Home Guard platoon camouflage the true military service of some of the actors themselves. Despite their light-hearted appearance, many of the cast saw active service in one or even both of the world wars, and much of it far from humorous. The inspiration behind the sitcom was the experiences of one of its writers, Jimmy Perry, who as a young 16-year-old wannabe comedian was still waiting for his call-up papers when he joined the eager warriors of the Home Guard in 1940. Little did he know, decades later, that ribald group of men in the Watford battalion would provide the inspiration which put his name up in lights. Indeed, was it Perry's own goofy gullibility as a teenager that helped form the character of Private Pike? Also admitted: Perry, the affable Lance Corporal Jones, in real life Clive Dunn, a former prisoner of war who served in the 4th Queen's Own Hussars, was partly based on an old soldier Perry knew who had served in the Sudan. This veteran recalled being told by a CO to piss on your rifle to cool it down. Perry went on to serve in India in the Royal Artillery and then later with Combined Services Entertainments. As a twenty-year-old British Army officer, David Croft, was stationed in North Africa when a raft of comical events, including his struggles with a Bofors gun, went on to shape the calamities which befell the *Dad's Army* troopers. Theater mad Derbyshire lad Arthur Lowe, who played the redoubtable Captain Mainwaring, was thin with knobbly knees when he was seconded to the No. 2 Field Entertainment Unit in Egypt. Meantime, languid, good-mannered actor John Le Mesurier reported for duty with the Royal Tank Regiment complete with golf clubs in his car boot. By 1943, he was ironically enduring life in Deolali Doolally in India when he had a captaincy thrust upon him until being demobbed in 1946. The astonishing bravery of actor and playwright Arnold Ridley, who was denied a DSO and a Military Medal for his actions during the First World War, makes for heart-rending reading. His creation of dear old Private Godfrey won him millions of adoring fans. The classical actor John Laurie, Private We're All Doomed Frazer, was also a hero of the trenches. Always dry-witted, he once made everyone laugh on set when he remarked, "I've played every part in Shakespeare. I was considered to be the finest Hamlet of

the 1920s and I had retired and now I am famous for doing this crap That each man including the mocking Laurie helped turn Dad s Army into everlasting success will never be forgotten And why Well in reality they had seen war and knew war and yet always completely realised and understood how the power of laughter is the ultimate triumph

**The War Against Rommel's Supply Lines, 1942-1943** Alan Levine, 1999-06-30 An exciting account of a little known yet vital part of World War II the Allied effort to blockade Axis forces in North Africa with a relatively small number of planes and submarines included some of the war s most spectacular air battles and opened the way to the attack on Fortress Europe from the south This is the first book length treatment of the crucial struggle to cut Axis supply lines in the Tunisian campaign of 1942 1943 a battle often ignored or played down even by official historians The campaign marked the first big U S victory against the Axis powers and served as a proving ground for several top Allied commanders This study fills an important gap in the history of the war reevaluating the development of Allied airpower and the role of Italy in the campaign Allied success in interdiction was a critical factor in the greatest Allied victory in the Mediterranean campaign a victory which left the enemy so weakened that it could not stop the subsequent invasion of Europe from the south Despite initial disorganization and early disappointments the British waged one of only two successful submarine campaigns ever fought This study describes some of the war s most amazing air battles notably Operation Flax against the enemy s air transport fleet and attacks on convoys all interwoven with the events of the ground war in the desert and comparisons with the Pacific effort It details the struggle to reorganize and improve the Allied effort the belated success of sea sweeps against enemy ships and the final victory in the spring of 1943 in which an air blockade was clamped on the sea and sky approaches to Tunisia
