Western Marxism An Introduction Classical And Contemporary Sources:

Western Marxism Ben Agger,1979 **The Bloomsbury Companion to Marx** Andrew Pendakis,Imre Szeman,Jeff Diamanti,2018-12-27 There are very few figures in history that have exerted as much and as varied an influence as Karl Marx His work represents an unrivalled intervention into fields as various as philosophy journalism economics history politics and cultural criticism His name is invoked across the political spectrum in connection to revolution and insurrection social justice and economic transformation The Bloomsbury Companion to Marx is the definitive reference guide to Marx s life and work Written by an international team of leading Marx scholars the book offers comprehensive coverage of Marx s life and contexts sources influences and encounters key writings major themes and topics and reception and influence The defining feature of this Companion is its attention to the new directions in Marxism that animate the theoretical scientific and political sides of Marx s thought Gender and the growing importance of Marxist feminism is treated as equally important to clarifying Marx today as traditional and diverse categories of critique such as class capital and mode of production Similarly this Companion showcases the methodological and political importance of Marxism to environmentalist politics Finally the volume examines in detail non European Marxisms demonstrating the centrality of Marxist thought to political movements both within and beyond the global north This book is the ideal research resource for anyone working on Marx and his ideas today and as an entry point if you are approaching Marx s thought for the first time **The Vitality of Critical Theory** Harry F. Dahms,2011-05-19 States that the critical theory of the Frankfurt School is as important today if not more so as it was at its inception during the 1930s This title looks at the distinguishing features of this tradition and how it is critical yet also complementary of other approaches in the social sciences especially in sociology Ecological States Jesse Rodenbiker,2023-06-15 Ecological States examines ecological policies in the People s Republic of China to show how campaigns of scientifically based environmental protection transform nature and society While many point to China s ecological civilization programs as a new paradigm for global environmental governance Jesse Rodenbiker argues that ecological redlining extends the reach of the authoritarian state Although Chinese urban sustainability initiatives have driven millions of citizens from their land and housing Rodenbiker shows that these migrants are not passive subjects of state policy Instead they creatively navigate resettlement processes in pursuit of their own benefit However their resistance is limited by varied forms of state backed infrastructural violence Through extensive fieldwork with scientists urban planners and everyday citizens in southwestern China Ecological States exposes the ways in which the scientific logics and practices fundamental to China s green urbanization have solidified state power and contributed to dispossession and social inequality With support from the Henry Luce Foundation our goal is to produce all titles in this series both in Open Access for reasons of global accessibility and equity as well as in print editions **Ibss Poli Sci 29 1980** "International Committee For Social Sciences Documentation",2013-10-15 The International Bibliography of the Social Sciences IBSS is an essential tool for

librarians academics and researchers wishing to be kept up to date with the published literature in the social sciences IBSS is compiled in four divisions Anthropology Sociology Economics and Political Science This is Volume XXIX of the International bibliography of political science as of 1980 *No Social Science without Critical Theory* Harry F. Dahms,2008-06-16 Highlights the problematic nature of mainstream perspectives and the growing need to reaffirm how the specific kind of critique the early Frankfurt School theorists advocated is not less but far more important today This book also includes chapters that offer a broad and diverse look at social science and critical theory **The Theory of Capitalism in the German Economic Tradition** Peter Koslowski,2013-11-11 The theory of capitalism and of the economic order is the central topic of the German economic tradition in the 20th century Capitalism has not only been the topic for Marxist economics and for the Frankfurt School but also for the Historical School and for the postmarxist theory of capitalism in Ordo and Neo Liberalism as well as in Solidarism The question of the foundations of the economic order of the market economy and of capitalism as well as the problem whether a third path between capitalism and social ism is possible occupied this tradition from the Historical School to Ordo Liberalism and the theory of the social market economy The theory of capitalism and of the social market economy as well as the critique and reform developed in this theoretical tradition is important for the theory of economic systems as well as for today s problems of the eco nomic order Its relevance for the present world economy is visible in the discussions whether there exist different models of capitalism and whether they can be described as the Anglo American and as the Rhenish model of capitalism influenced by the thought of the German economic tradition Michel Albert the author of this classification gave the key word in his book *Capitalism against Capitalism* The papers of this book can help to clarify this debate by giving a first hand introduction to some of the main economic thinkers of capitalism The Cumulative Book Index ,1979 A world list of books in the English language The Publishers' Trade List Annual ,1979 Marxism and the Proletariat Stephen Perkins,1993 In an unusual aproach to Marxist studies Perkins uses the category of the proletariat as the key to which to demarcate different schools of thought within Marxism and consequently to assess their degree of fidelity to Marx s own thought He examines the contribution to this perspective made by Lukacs and demonstrates how Lukacs is able to account for the apparent failure of Marxism in the political conditions of advanced capitalism **Author Catalogue of Printed Books in English Language: A National Library (India)**,1991 **Canadiana** ,1981 Encyclopedia of Sociology: Japa-publ ,2000 *Academic Business Library, a Core Collection, Pt. 5 M.* Balachandran,1986 Directions ,1980 *American Book Publishing Record* ,1979 Books in Print ,1987 **Families in Society** ,2002 **A London Bibliography of the Social Sciences** ,1931 Vols 1 4 include material to June 1 1929 *Law and Society* Steven Vago,2000 For one term undergraduate courses in Sociology of Law Introduction to Law Law and Society and other criminology and criminal justice courses offered by departments of Sociology Criminal Justice and Political Science This balanced and comprehensive overview of the entire legal system administrative civil and criminal law
