## **Wisconsin Capitol:**

*The Wisconsin Capitol* Michael Edmonds, 2017-06-20 On the occasion of the Capitol's centennial in 2017 this book tells the remarkable story of the building in all its incarnations and the people who made history beneath its dome. The book covers the creation of the territorial capitol in 1837, the construction of the second capitol in the 1860s and the fire that almost completely destroyed it in 1904, the eleven year construction project that completed the third capitol in 1917 and the extensive conservation project of the 1990s that restored the building to its grandeur. Supporting the framework of this architectural history are colorful stories about the people who shaped Wisconsin from within the Capitol: attorneys, senators and governors from Henry Dodge to Scott Walker, as well as protesters, reformers, secretaries, tour guides, custodians and even Old Abe, the Capitol's resident eagle. Combining historical photographs with modern full color architectural photos, *The Wisconsin Capitol* provides fascinating details about the building while also emphasizing the importance of the Capitol in Wisconsin's storied history. *Wisconsin State Capitol*, 1991 [Wisconsin Capitol](#) Diana Cook, 1991 Diana Cook recounts some of the rich history and little known facts about the magnificent Wisconsin State Capitol building in a volume of interest and value to every Wisconsin resident and to all who tour this building and marvel at its sheer grandeur.
