Witchcraft A Concise Guide:

Witchcraft Isaac Bonewits, 2003-01-01 Isaac Bonewits is North America's leading expert on ancient and modern Druidism, Witchcraft, and the rapidly growing Earth Religions movement. A practicing Neopagan priest, scholar, teacher, bard, and polytheologist for over thirty years, he has coined much of the vocabulary and articulated many of the issues that have shaped the rapidly growing Neopagan community with opinions both playful and controversial. As an author, a singer, songwriter, and a spell-binding speaker, he has educated, enlightened, and entertained two generations of modern Goddess worshippers, nature mystics, and followers of other minority belief systems, and has explained these movements to journalists, law enforcement officers, college students, and academic researchers.

Which Witch Is Which? Patricia Telesco, 2005
Describes the different paths of Wicca.

Witchcraft Myths in American Culture Marion Gibson, 2012-08-21 A fascinating examination of how Americans think about and write about witches, from the real witches tried and sometimes executed in early New England to modern reimaginings of witches as pagan priestesses, comic strip heroines, and feminist icons. The first half of the book is a thorough re-reading of the original documents describing witchcraft prosecutions from 1640-1700, and a re-thinking of these sources as far less coherent and trustworthy than most historians have considered them to be. The second half of the book examines how these historical narratives have transformed into myths of witchcraft still current in American society, writing, and visual culture. The discussion includes references to everything from Increase Sizer and Edgar Allan Poe to Joss Whedon, the writer-director of *Buffy the Vampire Slayer*, which includes a Wiccan character, and *The Blair Witch Project*.

A Brief Guide to Secret Religions David V. Barrett, 2011-05-26 This wide-ranging book explores the diversity of esoteric and occult beliefs. Neo-Paganism is one of the fastest-growing new religions in the western world, where witchcraft or Wicca, Druidry, and Urban Shamanism are thriving. Alongside this, there has been an upsurge in New Age ideas of an even wider variety, including astrology, Tarot, numerology, and many others. And then there are members of various schools of occult science practicing High Magic. Why this new interest in old beliefs? Why are millions of educated people today abandoning both the established religion of their parents and 21st-century scientific rationalism and turning to magic and esoteric teachings? In their search for spirituality, those who follow these paths claim to be applying ancient wisdom to the modern world.

The Brief History of Secret Religions, a companion book to The Brief History of Secret Societies, looks at the history and variety of these esoteric movements, where they came from, and what they tell us about the world today. Praise for The New Believers, an excellent guide to fringe religions that juxtaposes respectable movements and those conventionally dismissed as cults. The Telegraph, no-nonsense, comprehensive survey packed with non-judgmental information about the beliefs, aims, and activities of such movements. Daily Mail.

A History of Witchcraft Jeffrey B. Russell, Brooks Alexander, 2024-06-18 An authoritative and concise history of witchcraft from the ancient world up to the present day. Witchcraft has always been a fluid and intriguing belief system that has enchanted and sometimes terrified humanity. Now in

its third edition *A History of Witchcraft* has established itself as the authoritative history of witchery and the occult Beginning with magic in the ancient world Jeffrey B Russell explores the definition of witchcraft in its many diverse forms from the worship of the Greek goddess of magic Hecate and the witch crazes of the fifteenth and sixteenth centuries to the development of modern witchcraft by Aleister Crowley and Gerald Gardner in the early twentieth century Brooks Alexander analyzes the development of witchcraft and neo paganism in the present day charting the dissemination of modern witchcraft through media and the tensions that arise when a secretive cult becomes an open and recognized religion This updated edition features a new chapter exploring the challenges that witchcraft has faced in the past decade including the rise of social media platforms such as Instagram and TikTok the COVID 19 pandemic and new neo pagan groups
