Each player starts by choosing an avatar and giving it an identity. They can then explore ROBLOX interacting with others by chatting, playing games, or collaborating on creative projects. Each player is also given their own piece of undeveloped real estate along with a virtual toolbox with which to design and build anything be it a navigable skyscraper, a working helicopter, a giant pinball machine, a multiplayer Capture the Flag game, or some other yet-to-be-dreamed-up creation. There is no cost for this first plot of virtual land. By participating and by building cool stuff, ROBLOX members can earn specialty badges as well as ROBLOX dollars (ROBUX). In turn, they can shop the online catalog to purchase avatar clothing and accessories as well as premium building materials, interactive components, and working mechanisms.
