The Jews:

The Jews in Iowa Simon Glazer,1904 The Expulsion of the Jews Yale Strom,1992 According to legend in 1492 200 000 Jews marched from Spain singing religious songs led by their rabbis They were called Sephardim They left at the orders of King Ferdinand and Queen Isabella whose Edict of Expulsion gave Spanish Jews the choice of conversion to Christianity or exile To commemorate the five hundredth anniversary of their expulsion Yale Strom represents a memorable beautifully crafted portrait of the subsequent Jewish existence in these secluded exilic lands their sorrows their courage and the awe inspiring attributes that have kept them religiously and culturally whole for half a millennium From Spain these courageous refugees settled in the Ottoman Empire in Turkey Greece Yugoslavia the Balkans and elsewhere Traveling along perilous paths to uncertain futures the pilgrims formed a new diaspora a dispersion within a dispersion As they found new homes in the strong and powerful Ottoman Empire they of course longed for the land of Israel yet with steadfast tenacity they determined to retain their Judeo Spanish tongue a composite of mainly Castellan Turkish Arabic Greek and Hebrew words and idioms With their strong willed consciousness of Sephardic culture they soon assimilated other Jews living along the Aegean Coast and in the Balkans Even into the 1930s two hundred thousand Jews of that region are Sephardim But the Holocaust and the aliyah to Israel and natural attrition due to ageing has caused this number to dwindle to 50 000 Rich in historical detail this tribute to Sephardic life reveals the Sephardim s contributions to Judaism throughout the world Through vivid personal narrative and sensitive photography it introduces current descendants of the exiled Jews the Sephardim who still live in the countries where their ancestors sought refuge five hundred years ago As well it commemorates those Jews who chose to return to Spain and Portugal at the start of this century An inspiring highly readable account of a significant and dramatic chapter in Jewish history *The Jews* James Kendall Hosmer,1885 The Legends of the Jews: Bible times and characters from the creation to Jacob Louis Ginzberg,1913 *The Jews: Their History, Culture, and Religion* Louis Finkelstein,1960 **The Jews of Warsaw, 1939-1943** Yisrael Gutman,1989-02-22 This work chronicles the struggle of Warsaw Jewry from the outbreak of World War II September 1939 through the final and most tragic chapter in the history of the community the armed Jewish uprising the annihilation of the remnant Jewish community and the destruction of the traditional Jewish sector of the city April May 1943 The Jews of Georgian England, 1714-1830 Todd M. Discoveries Meyer Kayserling,1894 **Chinese Perceptions of the 'Jews' and Judaism** Xun Zhou,2001 While prejudice against Jews is a real and ongoing category in Western culture little attention has been paid to the myths of the Jews and their impact in countries outside the West This work draws on a wide variety of source materials from the past two centuries to examine the images of the Jews as constructed in China However the interest here does not lie in the determination of the boundary between the real and fictional aspects of these images Rather it lies in the implications associated with the Jew as an other which remains a distant mirror in the construction of the self amongst various social groups in modern China Although it has been noted by a few scholars that the use of the Jews as a category was important to many thinkers of modern China in the construction of their nationalistic and socio political ideologies this is the first systematic study in the field to be published This book is also more than a historical book on China in that it opens a new arena for modern Jewish studies from a unique angle Tamerlane and the Jews Michael Shterenshis,2002 This book provides a general introduction to the history of Jewish life in 14th century Asia at the time of the conqueror Tamerlane Timur The author defines who are the Central Asian Jews and describes the attitudes towards the Jews and the historical consequences of this relationship with Tamerlane Left alone to live within a stable empire the Jews prospered under Tamerlane In founding an empire Tamerlane had delivered Central Asia from the last Mongols and brought the nations of Transoxonia within the orbit of Persian civilisation The Central Asian Jews accepted this spirit and preserved it until modern times in their language and culture
