The application of the constitution** Hippolyte Taine, 1878 **Reading Scripture in the Fellowship of the Spirit** Trevor Reynolds, 2019-02-19 How does the Holy Spirit guide the Christian community in its custodianship and interpretation of Scripture How does the fact that the Spirit is characterized by koinonia impact upon this task In light of this do we read Scripture with too much of an individualistic mindset In this new book Dr Trevor Reynolds addresses these questions seeking answers primarily from within Scripture itself He explores in depth what Jesus and the New Testament community taught concerning the interpretive role of the Holy Spirit How did they interpret Scripture with

the help of the Spirit He highlights their corporate Spirit led hermeneutic with its challenge to our individualistic approaches The New Testament writers interpreted the Old Testament in a way that revealed communal methods of interpretation These were informed by Jewish pneumatic and corporate solidarity notions as reshaped by Jesus own Spirit given example and legacy In this book New Testament extracts are discussed which contain either specific examples of how Old Testament Scripture is interpreted by members of the New Testament community with the Spirit s help or speak of the Spirit s work of interpretation in a more general way Trevor Reynolds seeks to uncover their implications for biblical hermeneutics as well as for the doctrine use and custodianship of Scripture in the life and witness of the church today The book concludes by pointing to the wide ranging implications that reading Scripture in the fellowship of the Spirit poses for today s church

Sanatana Dharma and Plantation Hinduism (Second Edition Volume 2) Ramesh Gampat,2020-01-06 Christian Missionaries worked hard to convert immigrants Their first order of business was to denigrate Hinduism designate Hindus as heathen and disparage their culture food and even attire Immigrants stubbornly resisted led by the tiny educated elite including Brhmaas whom we call Brahmins Conversion was a failure at least up to the end of the 19th century but picked up a self generating momentum thereafter The result is that the share of Hindus in Guyana s Indian population declined from 83.5 percent in 1880 to 62.8 percent in 2012 The largest portion of the contraction was lost to Christianity The loss notwithstanding even a casual observer would conclude that Guyanese Hindus at home and in the Diaspora are a very religious people Many of us do a jhandi or havan once annually others do the more elaborate and costlier yaj a where everyone is welcome once or twice in their lifetime Most of us do a short daily puja prayers offerings reading the stras and listening to bhajan in our homes An important but perhaps unintended way immigrants countered conversion to Christianity was an unplanned movement towards a synthesis that brought Hindus regardless of caste or sect under a unitary form of Hinduism The synthesis began around the 1870s and was completed by the 1930s to the 1950s Guyanese Hindus call the unified corpus of religious beliefs and practices that emerged from the synthesis Sanatana Dharma Ramesh Gampat labels it Plantation Hinduism in this path breaking book The book argues that the brand of Hinduism practiced is inconsistent with Sanatana Dharma called Vednta by the more philosophically inclined Plantation Hinduism features an extraordinary dependence upon purohitis pandits which has anaesthetized the Hindu mind and render him unable to think question and inquire when it comes to Dharma Rituals and bhakti have been degraded and turned into desire motivated worship devats have been misconstrued as Brahman rather than as limited manifestation of the one non dual pure Consciousness belief in the multiplicity of gods encourages image worship and superstitions anchor Guyanese Hindus to tradition and mere belief Plantation Hinduism is little more than desire motivated actions dogmas and superstitions Absent is the idea that Sanatana Dharma is a spiritual science no less scientific than hard sciences such as physics and astronomy The central message of Vednta is the innate divinity of every person and the freedom to realize that divinity through anubhava direct personal experience of Supreme Reality
