**Scenes in Front of a Clothing Store** Frank Dumont,1889      **Commercial Fisheries Review** ,1958      **How to Catch a Lobster in Downeast Maine** Christina Lemieux Oragona,2019-11-18 An insider's look at the daily lives of Maine's lobster fishermen. What is it like to live and work in a lobster fishing village in one of the most remote parts of Maine? The extreme weather conditions of the Maine coast, unreliable fishing seasons, and an ever-present element of danger are just a few of the challenges encountered by lobster fishermen. They must adapt to constant change and balance exploiting the natural resource for personal profit with a duty to conserve lobster stocks for future generations. Despite the challenges, most would not trade the benefits of their job for the independence it offers, to unique pastimes like lobster boat racing. These fishermen aren't just the masters of their ships; they are the captains of their souls. From a family of four generations of lobster fishermen, Christina Lemieux Oragona provides a glimpse inside these lobstering communities and celebrates it for those lucky enough to live it: the trials, triumphs, and even a few of her favorite lobster recipes. Her first book is a comprehensive, authentic, and honest insider's look at the life of a Maine lobsterman. The book covers the strategy involved; they don't just plunk those traps anywhere; the complexities of the market; the perils of the profession; the finer points of lobster boat design; and even the unwritten rules that lobstermen use to police their waters, which are strictly, if unofficially, enforced. *Colby Magazine*. With an abundance of romanticized and dramatic fishing stories on the shelves, Christina wanted to tell the story in an accurate way and felt a responsibility not just to the fishermen but to her family, also. *Machias Valley Observer*. Christina lived in Cutler, worked in the industry, and then interviewed a number of people to make this book possible. My first question for her is when will the next book come out. *Maine Coastal News*.      *The Harvest of the Sea* James Glass Bertram,1873      [The Lobstermen of Penobscot Bay](#) Gerald H. Lufkin,2008-03-27 Pull up that slack. Jeremy yells, trying to be heard over the howling wind. Snug it up. Snug it up, he continues excitedly as he is trying to control the boat in the wild seas. Here she comes, his son replies as a three-foot lobster trap comes flying over the gunwale. Never mind them now, Jeremy orders. Pull out the slack in that trawl line before it snags the propeller. We've got one more trap on this trawl. Just then a wave crest breaks over the boat and then sucks the stern back over the trap line. Crack. Snap. The line breaks, sending Charley hurtling into the cabin bulkhead. He struggles to grab a handhold while the deck is awash with sea water. The lobsterman and his son are twelve miles off the mainland in outer Penobscot Bay. They are working furiously against the wind and icy cold ocean spray. Twelve-foot ocean swells lift his 40-foot work boat up like an express elevator onto the wind-driven wave crests, and then the boat drops over the other side like a rock. The engine strains to keep headway and steerage against the swells. Insulated rubber gloves and numb hands make it impossible to take up the slack in the lobster trap line strung out three hundred feet in the freezing water. This story is about these stout-hearted men, their relationships among each other, and the heart-rendering fear suffered by their families. Most of all, it is about their day-to-day danger, excitement, and emotional
