## **This Is Scotland:**

**This Is Scotland** Daniel Gray, 2014 In *This is Scotland* Daniel Gray and Alan McCredie venture off the beaten track to explore smalltown Scotland in this quirky travelogue They cover the sights and delights in towns across Scotland from Galashiels to Cowdenbeath from Govan to Pitlochry to more rural settings such as the Isle of Skye **Scotland's Choices** Iain McLean, 2014-05-30 Scotland faces its biggest choice since the 1707 union that made the United Kingdom should Scotland be an independent country The Yes and No campaigns are well under way but with the vote looming closer the information available to the public is still limited What will happen after the referendum What are the international implications What about the UK's nuclear deterrent currently housed in Scotland What happens if the vote is No Is it even clear what independence will mean What about the oil What will the currency be What will happen to the Old Age Pension pot if the UK splits Scotland's Choices now fully revised for the critical last few months before the referendum does just that Written by one former civil servant one academic and one think tanker one a resident Scot one a Scot living in England and one an Englishman the authors clearly explain the issues you may not have considered and detail how each of the options would be put into place after the referendum **Prizing Scottish Literature** Stevie Marsden, 2021-02-15 This cultural history of the Saltire Society Literary Awards demonstrates the significance the awards have had within Scottish literary and cultural life It is one piece of the wider cultural award puzzle and illustrates how far from being parochial or niche lesser known awards whose histories may be yet untold play their own role in the circulation of cultural value through the consecration of literary value The study of the Society's Book of the Year and First Book of the Year Awards not only highlights how important connections between literary awards and national culture and identity are within prize culture and how literary awards and their founding institutions can be products of the socio political and cultural milieu in which they form but this study also illustrates how existing literary award scholarship has only begun to scratch the surface of the complexities of the phenomenon This book promotes a new approach to considering literary prizes proposing that the concept of the literary awards hierarchy can contribute to emerging and developing discourses pertaining to literary and indeed cultural prizes more broadly *The Theosophist*, 1889 *Populist Discourse* Marcia Macaulay, 2018-09-21 This edited collection draws on case studies from around the world to shed light on the sometimes contentious topic of populism Examining diverse contexts including North America Latin America Europe New Zealand and Russia the authors employ different approaches to populist discourse to analyse key notions in populism such as the people and the heartland as well as the exploitation of medium and narrative Each of the chapters in this book explores an aspect of the way in which populism constructs a political reality with reference to such high profile examples as Donald Trump Bernie Sanders the Scottish National Party Hugo Chavez Vladimir Putin Barack Obama and Winston Peters This book will be of interest to students and scholars of both discourse analysis and political science **This is Scotland.
