

A romantic couple is shown in silhouette, standing on a beach and looking at each other. The background is a sunset over the ocean, with the sun low on the horizon and its light reflecting on the water. The sky is a mix of orange, yellow, and dark blue. The couple's reflections are visible in the water. The overall mood is intimate and romantic.

This Thousand Years:

THE DAY CODE Jeffrey R. Horton,2013-08-27 God s Day Code is one of the most prominent and significant features of the Bible It is based on the principle that God views a thousand years as but one Day in His sight Since so much of end time prophecy is written from this heavenly perspective this key unlocks the true meaning of many prophecies concerning the Lord s return Learn how the plan of redemption is based on a great Week of thousand year Days and how this marks our generation for Christ s return Learn why the Church has always lived in the last Days why Jesus compared our time with the days of Noah and how to reserve your own chariot of fire for the rapture *the latter-day saints millennial star* ,1841

Ogren,2022-06-28 The Bible warns of deceptions Being deceived in one way or another is something we all have experienced The Bible has been on this platform of communication between God and man for thousands of years Like many forms or ways to communicate there is always something or someone infiltrating that which has been established making what was meant to be a blessing now turned into an actual curse Communication has always been essential something man has always tried to make improvements on from runners to messaging with flags or smoke to what we are more familiar with electronic messaging Electronic messaging has evolved from the simple tapped out code across a single wire to what we have available today Methods of communicating throughout history has evolved and has had its problems There are many things that can go wrong when getting our point across even when we think what is said is straightforward In communication words that we hear may come to us perfect in every way but to our understanding has gotten misconstrued partially or totally The Bible has stood the test of time in this respect so it should not surprise us to see it attacked for its righteous character The Bible does not leave us in the dark on this subject Matthew 13 13 15 Our heart naturally has an unhealthy fear of God s word The Holy Spirit desires to transform this fear into a fear of respect This takes place in an atmosphere of unselfish love The cross Jesus has been nailed to proves that untainted communication and pure love does exist still waiting our acceptance
