Those I Guard:

Uncivil Guard Foster Chamberlin,2025-11-04 In *Uncivil Guard Policing Military Culture and the Coming of the Spanish Civil War* Foster Chamberlin evaluates the role of militarized police forces in the political violence of interwar Europe by tracing the evolution of one such group Spain s Civil Guard culminating in the country s turbulent Second Republic period of 1931 1936 As Chamberlin s analysis shows political violence provided the main justification for the military coup attempt that began the Spanish Civil War and the Civil Guard was the most violent institution in the country at that time Discovering how this police force which was supposed to maintain order became a principal contributor to the violence of the republic proves key to understanding the origins of the Civil War By tracing the institution s founding in the mid nineteenth century and moving through case studies of episodes of political violence involving the group Chamberlin concludes that the Civil Guard had an organizational culture that made it prone to violent actions because of its cult of honor its distance from the people it policed and its almost entirely military training

Not Free America Mike Donovan,2020-10-27 *Not Free America* is a call to all Americans to take back our constitutional freedoms and break free of our abusive relationship with our government Mike Donovan s groundbreaking work on behalf of personal liberties has made him an object of fascination on both the Right and the Left In this groundbreaking book Mike Donovan the CEO of Nexus Services calls out the elites who wield power in our country not only the elites at the federal level but the elites who exert control over us in our states and counties our cities and towns *Not Free America* is a passionate call to all freedom loving Americans to take back our constitutional freedoms and break free of what he calls our abusive relationship with our government Donovan details how the wholesale shredding of the Bill of Rights started long before the concurrent crises of Covid 19 and the protests and violence that followed the murder of George Floyd *Not Free America* shows us how those events were used by forces in our local state and federal governments that had systematically been abridging our rights for decades These rights Mike reminds us are God given rights guaranteed to us by the Constitution the Bill of Rights and the Fourteenth Amendment As the pastor of the First Christian Church Universalist in Harrisonburg Virginia Mike Donovan is far from your quiet country clergyman A fierce warrior with the spirit of God and the tough skin of a lawyer he has dedicated his life to protecting liberty and preserving individual rights serving the underserved and ministering to those who are overlooked in our broken society Indeed there are aspects to his past and present that make him an easy target for judgment from all directions But Mike Donovan hides from nothing He openly embraces the faults of his past and dedicates his present to creating a future that helps others move past their own unfortunate pasts Born to a poor family in Page County Virginia he found himself at a young age convicted of writing bad checks resulting in multiple felonies for which he served seven months in the county jail But the time he served didn t break him it helped make him the man he is today a man of the law and a man of God who believes with all his heart and soul in the possibility of redemption and the power of moving beyond past mistakes He also came out of that experience

knowing he needed to make a difference for others who found themselves in the same place he'd just been. Not content to talk the talk, Mike Donovan walks the walk in the footsteps of the Jesus who said, "I was in prison and you came to visit me. Whatever you do for the least of these, you do for me." Not Free America shows us how to do all that for America and for our children. The book ends with The Liberty Pledge, an agreement readers will make, stating that they will vote only for lawmakers who agree to uphold the rights and freedoms guaranteed by the Bill of Rights and the Fourteenth Amendment.
