Where Do You Live:

Where Do You Live? Janet L. McGee, 2011-04-27 Your freedom is Gods will Have you ever seen a woman who was full of the Lords joy and secretly wished that you too could live life with that kind of confidence Janet McGee set out with her husband Scott in 2005 to plant a church in Santa Maria California They were certain in the leading they felt from the Lord and believed they would watch Him quickly gather precious people together to form a beloved church family She learned that yes this is Gods plan but He had a much bigger one and it was to capture her heart and change the whole way she lived Through her story you will learn that the freedom she found is available to everyone even you Although this account of Janets life is based from a pastors wives perspective the truths learned and the freedom gained from Christ are available to anyone who loves the Lord Read this warm honest and compelling glimpse into her life and learn from her example of how exploring Gods Word leads us into true freedom Share in her discovery that when choosing to live life from His truths and promises it becomes filled with peace and joy Hidden in the midst of the stories of her adventure with God are precious insights of how God views us and how He encourages us to live This book is a feast for your soul Study guide included **Where Do You Live?
