## Where Is Jesus:

**Where is Jesus now?** David Pawson,2015-10-12 Why is the Ascension such a neglected area of biblical teaching What exactly happened How did the disciples react Why did Jesus go back to heaven What did he do next What is he doing now How does all this connect with our lives today David Pawson explains why the Ascension of Jesus can still be a source of inspiration to every Christian believer *Where Is the Fear of God?* Charles Von Hammerstein,2010-01-26 The loss of the fear of God has been the greatest devastation to our nation and to the body of Christ It is the sign of the end times the mark of falling away from the Lord O how we need to recapture the fear of God in this day so that we all might be found prepared for the Lord s return We are living in the very days before the Lord s return when the prophecies of scripture are being fulfilled all around us Yet few are being prepared for his return with the holiness that He will demand We must follow after holiness without which no man shall see the Lord Heb 12 14 Such holiness cannot be obtained without the fear of the Lord being brought back into the church and especially into its leadership This book shows how the fear of God has been forsaken and it exposes the heart of compromise that is the spirit of our age Ask yourself how are you being prepared by the preaching of the fear of the Lord so that your life meets Christ s holy eyes **Where Is Your Allegiance** Paul A Himes,2017-08-28 Lay persons in the church might be forgiven for imagining that the book of Revelation cannot be understood There are many different interpretive schemes proposed and hundreds of variations within those schemes But the reader who is willing to spend the time will find real treasures in the study of this book and Paul Himes has provided an excellent guide to some of the most important passages as he looks at the messages to the seven churches and even more importantly at the One who is sending those messages based on the vision in the first chapter and the ways in which the churches are addressed Dr Himes provides key background information and then takes a serious look at the details of the text but he does so in a way that is clear and that points the reader to ways of approaching the text more seriously on his or her own For those who want to follow the trail further the footnotes are extensive Since as the author tells us on page 5 one cannot begin to grapple with the eschatology of Revelation until one has submitted to the Christology of Revelation this book provides an excellent point of entry for someone who wants to take a new and refreshing look at this important book Here one can study the Christ of revelation Christology the church He ordained ecclesiology and go from there to the purpose and destination He has for that church eschatology *Death, Where Is Your Sting?* Philip D.
