## **Where The Money Is:**

**Where the Money Is** Gordon Dillow, William J. Rehder, 2014-06-23 With the style and pacing of a good novel should become a standard in the genre Publishers Weekly FBI Special Agent William J Rehder the man CBS News once described as America's secret weapon in the war against bank robbers chronicles the lives and crimes of bank robbers in today's Los Angeles who are as colorful and exciting as the legends of long ago The mild mannered antiques dealer who robbed more banks than anyone else in history The modern Fagin who took a page out of Dickens and had children rob banks for him The misfit bodybuilders who used a movie as a blueprint for a spree of violent robberies In a fast paced hard edged style that reads like a novel Where the Money Is carries us through these stories and more all within a pistol shot of Hollywood all true life tales as vivid as anything on the big screen

**Where the Money Is** Dr. Bob Froehlich, 2001-08-09 From the Foreword Truly valuable investment advice doesn't just direct you to buy a particular stock but helps you to think about investment opportunities within sectors specifically in the industries that are poised for growth over the next years and decades Bob's solid guidance helps you target long term opportunities Suze Orman Author of *The Road to Wealth* and 1 New York Times Bestsellers *The 9 Steps to Financial Freedom* and *The Courage to Be Rich* The five themes driving and shaping the market in the millennium from one of Wall Street's most respected investors In *Where the Money Is* Bob Froehlich one of the financial community's most trusted advisors gives readers a rare insider's view of the strategies that financial markets and industries are developing to capitalize on the new terrain Peering over the economic horizon for clues to next year and beyond Froehlich pinpoints the five most relevant investment themes that will drive and shape the continuing bull market as they are shaping society into the new millennium Focusing on such key issues as the aging baby boomer population the continued growth of a technology that provides greater access and connectivity to the world and the rise of the global marketplace Froehlich shows investors how to spot these larger trends within the financial markets and the economy and to build an appropriate investment strategy to capitalize on them for rich rewards Froehlich shows readers where the money is and where it can be found in the future
