Where To Now Blue:

The Singing Blue Anne Louise Johnson Robinson,1926 Where Are You, Echo Blue? Hayley Krischer,2024-07-16 A smart juicy and page turning novel about celebrity fandom and the price of ambition following a journalist s obsessive search for a missing Hollywood starlet When Echo Blue the most famous child star of the nineties disappears ahead of a highly publicized television appearance on the eve of the millennium the salacious theories instantly start swirling Mostly people assume Echo has gotten herself in trouble after a reckless New Year s Eve But Goldie Klein an ambitious young journalist who also happens to be Echo s biggest fan knows there must be more to the story Why on the eve of her big comeback would Echo just go missing without a trace After a year of covering dreary local stories for Manhattan Eye Goldie is sure this will be her big break Who better to find Echo Blue and tell her story the right way than her And so Goldie heads to L A to begin a wild search that takes her deep into Echo s complicated life in which parental strife friend break ups rehab stints and bad romances abound But the further into Echo s world Goldie gets the more she questions her own complicity in the young star s demise yet she cannot tear herself away from this story which has now consumed her entirely Meanwhile we also hear Echo s side of things from the beginning showing a young woman who was chewed up and spit out by Hollywood as so many are and who may have had to pay the ultimate price As these young women s poignant and unexpected journeys unfold and eventually meet Where Are You Echo Blue interrogates celebrity culture the thin line between admiration and obsession and what it means to tell other peoples stories all while ushering us on an unruly ride to find out what did become of Echo Blue
