Neural Mechanisms Underlying Movement-Based Embodied Contemplative Practices Laura Schmalzl, Catherine E. Kerr, 2016-07-05 Relative to the extensive neuroscientific work on seated meditation practices far less studies have investigated the neural mechanisms underlying movement based contemplative practices such as yoga or tai chi Movement based practices have however been found to be effective for relieving the symptoms of several clinical conditions and to elicit measurable changes in physiological neural and behavioral parameters in healthy individuals An important challenge for neuroscience is therefore to advance our understanding of the neurophysiological and neurocognitive mechanisms underlying these observed effects and this Research Topic aims to make a contribution in this regard It showcases the current state of the art of investigations on movement based practices including yoga tai chi the Feldenkrais Method as well as dance Featured contributions include empirical research proposals of theoretical frameworks as well as novel perspectives on a variety of issues relevant to the field This Research Topic is the first of its kind to specifically attempt a neurophysiological and neurocognitive characterization that spans multiple mindful movement approaches and we trust it will be of interest to basic scientists clinical researchers and contemplative practitioners alike

The varieties of contemplative experiences and practices Sucharit Katyal, Sisir Roy, Philippe R. Goldin, Anna-Lena Lumma, 2023-07-05 *Journal of Vaiṣṇava Studies*, 2005 *Journal of Indian Psychology*, 1998 *Inhibitory Control Theory* Harold J. Margolis, 1991 **Disabilities:**

Responses : practice, legal, and political frameworks Catherine A. Marshall, 2009 In these unprecedented volumes authors from around the world spotlight the latest knowledge on disability including the social legal and political issues that come to bear on people with disability These authors are researchers practitioners people with disability and family members Through their experiences they share with us the nature of disability the challenges people with disabilities face approaches to disability around the world and promising efforts for rehabilitation that are on the horizon We also learn in these volumes about social actions that have advanced human rights for people with disabilities in countries around the world Yet we learn

that in these same countries discriminatory actions against people with disabilities continue to occur The impact of different cultural beliefs about disability are explored and these beliefs are juxtaposed against legislative responses In all three volumes people with disabilities share their personal narratives about events they have faced in society They provide rich examples of how culture social interactions and legislation can impact on people Publisher description **Unstuck** Dr Emily Musgrove,2025-05-20 Being stuck can look and feel different to different people trapped powerless hopeless frozen frustrated numb disconnected anxious overwhelmed Getting stuck is part of being human But staying stuck for too long robs us of our vitality It costs us healthy relationships meaningful pursuits and most importantly the life we want to live But even in our lowest moments one yearning shines through The desire for a better way The desire to become unstuck With her signature clarity and compassion Dr Emily offers this practical guide to finding your way forward by focusing on key areas Living by your values defining what matters to you and what it means to flourish Overcoming stress understanding its impact on the body and the tools you need to work effectively with it Befriending the Inner Critic learning a better way of thinking Working with painful emotions discovering acceptance and self compassion Taking Action finding the power of choice and committing to new and helpful habits and behaviours Change can seem impossibly hard but staying stuck is harder UNSTUCK gives you the tools to cultivate a life without limits in times of pain in times of change in times of joy

Multidimensional Contextual Practice: Diversity and Transcendence Krishna L. Guadalupe,Doman Lum,2005 MULTIDIMENSIONAL CONTEXTUAL PRACTICE DIVERSITY AND TRANSCENDENCE offers a comprehensive perspective on human diversity It addresses possible cognitive emotional behavioral and social effects of stereotypes as well as the need for conscious change while honoring human complexities A Framework for Human Diversity and Transcendence is introduced as a set of principles for approaching clients experiences as contextual and multidimensional Important Notice Media content referenced within the product description or the product text may not be available in the ebook version
