*The Love Scrolls* Edward Theodore Hayes, 2008-08 2003 2005 Poet of the Year Shakespeare Award of Excellence recipient *The Love Scrolls Seven* *The Love Scrolls* is an epic to literally sweep you off of your feet I love therefore I'm forever As Shakespeare shall write of his kings so I shall write of mine We shall cover the ground with love's growth and upon the earth with love's tree we shall sow Spreading its fruit in abundance unto a lover unto our brother unto each other and unto God Shore up your works with faith and love guild For these are the only eternal substances from which mankind is allowed to build Cover artist April Sampson Graphic artist Tate Krupa

*The Love Scrolls* Edward Theodore Hayes, 2008-06 Forget everything you were taught forget everything you heard just forget everything you thought you knew about love What you are about to hear will change your heart forever What if we found someone that was true to love and characterized the nature of pure love itself Then you would have Angel and oh how she would save restore heal and guide one's heart to that perfect nature once again This will test the knight's beliefs love and allegiance to his queen The angel will reestablish the principles of love restore its hierarchy and carry its very flag The knight's beliefs will be turned upside down with a new angelic gospel Behold In truth the knight is about to be set free In faith he is about to grow wings In love he is about to soar and you are invited to go with him If you follow the angel's gospel you also will never be in want of the spiritual fruits again ever Let Angel tell it where they are and how to gain an eternal supply and never see the lack of love again no matter who you think may be holding its supply In the end you will share love's entire storehouse and enjoy its eternal victory Don't settle for just winning a heart but in love conquer Visit [thelovescrolls.com](http://thelovescrolls.com) for more

**The Love Scrolls** Edward Theodore Hayes, 2008-08-11 *The Love Scrolls* is a series of epic stories meant to celebrate guide uplift inspire and ultimately deliver the heart *The Love Scrolls Seven* Anthology with its 668 pages includes all seven books in this series with 343 poems including two bonus poems that give a peak at two future books with synopses in this continuing epic *The Love Scrolls* is a non sequential rhyming epic but if you read the series in this anthology's chronological order you will see each book slowly peel away the layers of love until it finally uncovers all of love's seven unique stages If you delve into each book you will discover each stage is in fact a world and likewise in this series there are worlds to discover So whether you read the epic from cover to cover or you choose a story that sparks your interest or perhaps you find a poem you particularly love you will not get lost but in love itself With so many worlds to discover you are bound to get lost as love reveals its endless scope and nature I like to think that if you take the series in in small doses it will be your desserts for the heart If you choose to take it in all at once for your heart you will

find it choice meat in a world starved of love If you let love lift you up to its greater worlds awaiting you in this epic you may even find love s feast The bottom line is this epic is so vast so varied and so storied everyone is bound to find something they will love and they too will agree The Love Scrolls is the epic to literally sweep you off of your feet Visit [thelovescrolls.com](http://thelovescrolls.com) for more
