The Fighting Four:

The Fighting Four Max Brand,2012-06-03 His name was Jim Silver but they called him Silvertip His only companions were his stallion Parade and a wolf Frosty who obeyed nothing but the wild instincts of his breed and the soft commands of his master Together they were part of the legend of the West Silvertip was a man who hungered for action the way most men hungered for food And he found plenty when bank robber Jim Lovell sought his protection Because unknown to Silvertip Lovell was packing a half million dollars in stolen cash along with his Winchester And the men he d double crossed had shot their way out of jail and were riding hard on the trail of their desperate partner The Fighting Four, Etc Max Brand,1948

Vo,2021-09-09 With the withdrawal of French forces from South Vietnam in 1955 the U S took an ever widening role in defending the country against invasion by North Vietnam By 1965 the U S had Americanized the war relegating the Army of the Republic of Vietnam ARVN to a supporting role While the U S won many tactical victories it had difficulty controlling the territory it fought for As the war grew increasingly unpopular with the American public the North Vietnamese launched two large scale invasions in 1968 and 1972 both tactical defeats but strategic victories for the North that precipitated the U S policy of Vietnamization the drawdown of American forces that left the ARVN to fight alone This book examines the maturation of the ARVN and the major battles it fought from 1963 to its demise in 1975 Despite its flaws the ARVN was a well organized and disciplined force with an independent spirit and contributed enormously to the war effort Had the U S Vietnamized the war earlier it might have been won in 1967 1968 The Fearless Harry Greb Bill Paxton,2009-01-26 The legendary Harry Greb stepped into the ring more than 300 times from 1913 to 1926 defeated opponents who outweighed him by more than 30 pounds held the middleweight and light heavyweight titles and beat every Hall of Fame boxer he ever fought Dubbed the Pittsburgh Windmill because of his manic freewheeling style in the ring Greb

also crossed racial lines taking on all comers regardless of color An injury in the ring led to Greb s gradually going blind in one eye and should have ended his career but he kept his condition secret and fought on Tragically the indomitable fighter would be dead by the age of 32 felled by complications during minor surgery This biography of one of the toughest boxers of all time includes interviews family recollections modern doctors analyses of Greb s eye injury and more than 120 rare photographs as well as a complete fight record and round by round descriptions of his most famous fights *The North American Indian: The Yakima.
