**The Fighting Pattons** Brian Sobel,1997-02-25 Many German officers would later say Patton was the most important weapon in the American arsenal A complex man driven by his knowledge of history and warfare the elder Patton was compassionate and easily moved to tears He was a professional soldier who loved the art of war and hated war itself The younger Patton has also lived a most exciting life having been acquainted with many of the famous names in political and military history Together father and son logged **Target Patton** Robert Wilcox,2014-09-09 Murder He Wrote And he wrote the true story Investigative and military reporter Robert Wilcox unravels the mystery surrounding the death of one of history s preeminent war heroes George S Patton Wilcox cries foul play and reveals the shocking truth behind Old Blood and Guts untimely demise in Target Patton the Plot to Assassinate General George S Patton Conflicting testimony disappearing witnesses missing official reports a suspicious Stalin and a lack of autopsy comprise the greatest unsolved mystery of World War II Find out whodunit in this thrilling account of America s most famous general **The Pattons** Robert Holbrook Patton,1994 The Pattons is an exceptional portrait of the famous military family eloquently written by the grandson of its most illustrious member George S Patton Washington Post critic Jonathan Yardley called it one of the best books of the year

Patton in Mexico Michael Lee Lanning,2023-11-01 Had Lieutenant George S Patton not served on the southern border during the Mexican Expedition of 1916 there might never have been a General George S Patton who took the world by storm as a bold and daring commander during World War II Relying on Patton s detailed personal journals of his eight months in Mexico Michael Lee Lanning describes the young officer s exploits during the hunt for Pancho Villa As an aide to General John Pershing Patton learned leadership and logistics from the man who would soon command American forces in World War I Begging for a field command he received it and led the first motorized attack in U S military history and may or may not have killed two of Villa s lieutenants The press ate it up and Patton learned not only how much he loved attention but how to promote himself In Mexico are the roots of Patton the World War II general and Lanning tells the story deftly focusing on Patton the man as well Patton the commander and always casting an eye forward to Patton s future career This is how Patton became Patton *The Washingtons.
