MOREHOUSE,2022 Church Quarterly Review ,1928 The Brahmvâdin ,1911 **The Way is Freedom** Harold Winkler,1942 **Land Values** ,1913 The Living Age ,1909 The Essence of Human Freedom Martin Heidegger,2002-01-01 Taken from a lecture course delivered by Heidegger at the University of Freiburg in 1931 32 this book presents the German philosopher s views on the problem of human freedom the meaning of freedom and being as reflected in Greek philosophy Kant s treatment of freedom and causality and other concerns central to Heidegger s thought *Which Way Freedom* Joyce Hansen,2013-02-01 Obi had never forgotten the sounds of his mother s screams on the day he was sold away from her Making plans to run away to find her was a secret game he played with friend Buka an old African who lived at the edge of the farm When the Civil War began Obi knew it was time to run or be sold again If he was caught he d be killed or worse But if he stayed he might never know freedom Radical Revelation Balázs M. Mezei,2017-11-30 This volume offers a practical and innovative interpretation of divine revelation from a philosophical theological perspective Bal zs M Mezei outlines the most important presuppositions of our notion of divine revelation in a historic and semantic setting as well as elaborating upon the methodology of model analysis He then introduces and analyses the notion of self revelation as the most important modern understanding of divine revelation and presents the notion of apocalyptic personhood as a corollary of radical personhood which is further developed into apocalyptic phenomenology Mezei further examines the remarkable development of some of the most important notions in the history of Christianity along with the homogenous infrastructure of these notions in the very essence of the religion the doctrine of Trinity Covering aspects of revelation from semantics to historical and cognitive origins and engaging with a wide variety of texts including Augustine Thomas Aquinas and Joseph Ratzinger Mezei makes a strong and clear statement when explaining what the radical revelation is how it can be understood and its overall importance **A Philosophy of Freedom** Lars Svendsen,2014-10-15 Freedom of speech religion choice will humans have fought and continue to fight for all of these But what is human freedom really Taking a broad approach across metaphysics politics and ethics Lars Svendsen explores this question in his engaging book while also looking at the threats freedom faces today Though our behaviors thoughts and actions are restricted by social and legal rules deadlines and burdens Svendsen argues that the fundamental requirement for living a human life is the ability to be free A Philosophy of Freedom questions how we can successfully create meaningful lives when we are estranged from the very concept of freedom Svendsen tackles such issues as the nature of free agency and the possibility of freedom in a universe governed by natural laws He concludes that the true definition of personal freedom is first and foremost the liberty to devote yourself to what really matters to you to realize the true value of the life you are living Drawing on the fascinating debates around the possibility of freedom and its limits within society this comprehensive investigation provides an accessible and insightful

overview that will appeal to academics and general readers alike *Freedom Through Disobedience* Chitta Ranjan Das,1922  
The following is the full text of the Presidential Address of Desabhandhu C R Das at the thirty seventh session of the Indian National Congress held at Gaya on 26th December 1922 Sisters and Brothers As I stand before you to day a sense of overwhelming loss overtakes me and I can scarce give expression to what is uppermost in the minds of all and everyone of us After a memorable battle which he gave to the Bureaucracy Mahatma Gandhi has been seized and cast into prison and we shall not have his guidance in the proceedings of the Congress this year But there is inspiration for all of us in the last stand which he made in the citadel of the enemy in the last defiance which he hurled at the agents of the Bureaucracy To read a story equal in pathos in dignity and in sublimity you have to go back over two thousand years when Jesus of Nazareth as one that perverted the people stood to take his trial before a foreign tribunal And Jesus stood before the Governor and the Governor asked him saying Art thou the king of the Jews And Jesus said unto him Thou say st Continent ,1914

Freedom Inc.: Gendered Capitalism in New Indian Literature and Culture Mukti Lakhi Mangharam,2023-06-15 While globalization is often credited with the eradication of traditional constraints tied to gender and caste in reality the opening up of the Indian economy in the 1990s has led to a decline in freedom for many female Dalit and lower class Indians This book explores the contraction of what it means to be free in post liberalization India examining how global capitalism has exacerbated existing inequalities based on traditional femininities and masculinities while also creating new hierarchies Freedom Inc argues that post 1990s literature and culture frequently represents and reinforces the equation of free market capitalism with individual freedom within the new idea of India However many texts often also challenge this logic by pointing to more expansive horizons of autonomy for the gendered self Through readings of texts as diverse as Dalit women s life writing pop fiction realist novels self help regional film and Netflix TV shows Mangharam investigates how notions like free trade entrepreneurship and self help are experienced embodied and challenged by disadvantaged peoples and by women differently than men In the process Freedom Inc explores how different literary forms illuminate alternative and buried pathways to fuller freedoms **The Japan Chronicle** ,1917 *Other Dreams of Freedom* Yvonne C. Zimmerman,2013 Yvonne C Zimmerman offers a groundbreaking exploration of the relationship between freedom and sexual regulation in American approaches to human trafficking **The Long Way to Freedom** James T. Shotwell,1960 *Problematizing Religious Freedom* Arvind Sharma,2011-08-08 The concept of religious freedom is the favoured modern human rights concept with which the modern world hopes to tackle the phenomenon of religious pluralism as our modern existence in an electronically shrinking globe comes to be increasingly characterised by this phenomenon To begin with the concept of religious freedom as embodied in Article 18 of the Universal Declaration of Human Rights seems self evident in nature It is the claim of this book however that although emblematic on the one hand the concept is also problematic on the other and the implications of the concept of religious freedom are far from self evident despite the ready acceptance the term receives

as embodying a worthwhile goal This book therefore problematizes the concept along legal constitutional ethical and theological lines and especially from the perspective of religious studies so that religious freedom in the world could be enlarged in a way which promotes human flourishing **Saturday Review** ,1960
