**Taking Lives** Michael Pye, 2004-02-24 Martin Arkenhout found his true calling on a lonely Florida highway with a sharp rock to the skull of an injured friend He didn t just take the boy s life he went on to live it When that life became too risky he found another and another changing his name papers and style at will until he chose the wrong life a scholarly thief on the run from the determined and troubled John Costa The two men will meet and there will be murder But there is something much worse the sweet seduction of taking another s life to be your own Chillingly suspenseful brilliantly executed and truly disturbing Taking Lives is an entertainment to make you think and shiver
