David Stewart, 2022-04-22 In Acts chapter 22 the Apostle Paul uses his political status as a Roman citizen to avoid being flogged Today pastors all across America will admit that we are now a Post Christian nation and even that the soft persecution becoming increasingly rampant every day bodes physical and violent persecution on the horizon but they fail to do anything about it because all the cultural ills have been tossed into the political arena and everyone knows churches can't talk about it if it's political This book dispels that lie and encourages Christians to overwhelm the gates of hell by using the political process to our advantage Talk about Design James Pilditch, 1976 Bulletin ,1917 Merchants Trade Journal ,1914 Report of the Prison Inquiry Commission New Jersey.
