The Love Project

Edmund Arthur Cortéz

The Love Project:

The Love Principles Arleen Lorraine, 2001 The Love Principles presents a broad very practical exploration of the transformational power of unconditional love Real life examples show how to make the difficult possible and demonstrate that joy can become commonplace The Love Principles encourages readers to lift up into the more of who they are to exercise creative jurisdiction over their minds feelings and bodies and to function with consciousness in all circumstances The Love Project Chris Dupre, 2014-12-31 Life is about loving to know love and then just as freely as you have received it to give it away to a world that is in desperate need of real and authentic affection and encouragement What if you could see yourself in a whole new way What freedom could you walk in if you could see yourself as God sees you The Love Project is a daily journey that will inspire you to see and enjoy God's great affection for you and in so doing allow you to be a catalyst to help others transform their own perspective of who they are and how they see themselves It is not just the journey of a lifetime it's the journey for a lifetime Watch your life and those around you turn from ordinary to extraordinary as day after day you live out The Love Project Faith Rules Samantha R.
