Woman Within:

The Woman Within Ellen Glasgow, Ellen Anderson Gholson Glasgow, 1994 Long out of print and now brought back with a substantial and provocative feminist introduction The Woman Within is a haunting and carefully crafted revelation of a major novelist's inner life Placed in the context of current discussions of women's autobiography the Ellen Glasgow who worked on The Woman Within from around 1934 until her death in 1945 speaks strongly and surprisingly sympathetically to readers today

The Woman Within Vonette Z. The Woman Within Rafael E. Lopez-Corvo, 2018-03-22 Although it is quite possible that many will consider this book irreverent or disrespectful of ideas or institutions the author is certain that they will also perceive it as a defender of women and their unquestionable transcendence throughout history The main ideas the author now shares publicly are ones the author has considered for many years the classification of the Eves the masochistic character of women the concept of giraffe women etc Other ideas appeared afterwards some at the last moment as the author enjoyed the company of friends who frequently and generously lend their time to discuss with me their own opinions the author believes that there is a universal feminine principle just as there is a masculine one the difference remains in the fact that from the very beginning of creation everything about man has already been said and nothing continues to be undisclosed whereas woman is an untold story yet to be discovered
