Springy Things:

Shakey Quakey Ride AndyRay Patton,2013-11 Cha is a being on a planet so large its 10 000 times the size of Jupiter Cha has glowing suns in his eyes He is so large compared to Earth but so tiny tiny compared to a flea as he now lives on the back of a great walking behemoth called a Nuva Cha Cha He d meant to kill the beast that trampled his home and family but what had once been seen as an nightmarish enemy has now become his home Cha has found ways to steer it and he uses it as a vehicle The planet is so large its never completed a full spin and time doesn t exist and its always changing environments and evolving and decimating new species there are countless adventures Cha and his Nuva tread to He befriends a living cloud with big cute eyes and a fluffy moisturized body of air He s in search of his Sofa Cha a vision of her he d seen once if it was a dream he cannot tell but love is what drives him forward nonetheless Cha has learned how to create an army of zombies He can also remove his arms and eyes at his choosing
