Texas Terrorhelltown:

Flames After Midnight Monte Akers,1999 What happened in Kirven Texas in May 1922 has been forgotten by the outside world It was only a co worker s whispered words Kirven is where they burned the Negroes that set Monte Akers on a quest to find out what happened and more important why After years of following clues found in old newspaper clippings NAACP reports and the memories of the few remaining witnesses who would talk Akers here pieces together the story of a young white woman s brutal murder and the burning alive of three black men who were almost certainly innocent of it This was followed by a month long reign of terror as white men hunted down and killed blacks while local authorities concealed the real identity of the white probable murderers and allowed them to go free Akers paints a vivid portrait of a community desolated by race hatred and its own refusal to face hard truths

Texas Lightning Dusty Richards,Velda Brotherton,2023-06-07 The toughest sheriff in Texas is about to meet his match Outlawry Fire Murder An arsonist is on the loose in Saddler County Texas burning down ranch houses with the families still asleep in their beds including children When the local mercantile is set on fire and his town threatened it s the last straw for Sheriff Dell Hoffman who sets out on an all out manhunt to run down the perpetrator He s joined in the pursuit by young Rose Parsons a bounty hunter with the temper of an angry badger and the trigger finger to match She has her own reasons for tracking down the man she s come to call the Fire Starter Her mother was one of his victims and Rose has vowed to take his head in for the bounty if it s the last thing she ever does Together they set out on a high stakes hellbent for leather chase across the Staked Plains of the vast Texas Panhandle But no matter how hard they ride neither Del nor Rose are able to run the rampaging psychopath to ground Desperate to put an end to this fiery trail of destruction and murder they recruit a posse of the toughest hombres around to lend a hand It s a rough and rowdy outfit to be sure including an Apache tracker two outlaws and a few of the toughest lawmen this side of the Red River but they put their differences aside for the common good On the vast plains of Texas though lightning can strike without warning Can they run this outlaw to ground before he kills again Or will he elude them once again and burn down everything they know and love before they can stop him

[Flames After Midnight](#) Monte Akers,2011-05-25 What happened in Kirven Texas in May 1922 has been forgotten by the outside world It was a coworker s whispered words Kirven is where they burned the Negroes that set Monte Akers to work at discovering the true story behind a young white woman s brutal murder and the burning alive of three black men who were almost certainly innocent of it This was followed by a month long reign of terror as white men killed blacks

while local authorities concealed the real identity of the white probable murderers and allowed them to go free Writing nonfiction with the skill of a novelist Akers paints a vivid portrait of a community desolated by race hatred and its own refusal to face hard truths He sets this tragedy within the story of a region prospering from an oil boom but plagued by lawlessness and traces the lynching s repercussions down the decades to the present day In the new epilogue Akers adds details that have come to light as a result of the book s publication including an eyewitness account of the burnings from an elderly man who claimed to have castrated two of the men before they were lynched *Hate Crime in Texas* Texas Civil Rights Project,1995 Evil Lives in East Texas Joseph D. Pate,2015-10-30 With his son on the ground Enzor stepped onto his left ear with the heel of his boot resting on Eddie s jaw and pressed him deeper into the gritty black soil Raising the chain above his head Enzor tore shirt and flesh with every swing With every lash Eddie s mouth was filled with the soil he was tasked to work With every scream of pain he choked on the dirt that invaded his nostrils Then it stopped and he was able to lift his head from the dirt Coughing up the earth that filled him Eddie turned to his father who was still standing over him The sun peeked over Enzor s shoulder as he leaned down Now get up and finish this field He drops the trace chain and left his son in the dirt Evil can be found in man but true Evil resides in the soul of man Pushing pulling and gnawing at who you were or who you could become Follow the true stories of Elbert Ensor Pate and his family from his wedding day until his last breath Each chapter can span hours or years and are told by his surviving children This is a book of fiction but every story inside is true Turn Out the Lights Gary Cartwright,2000-11-15 A collection of seventeen of Cartwright s Texas Monthly articles from the 1980s and 1990s along with an essay about the lasting legacy of the Kennedy assassination **Hate Crime** Joyce King,2011-11-30 On June 7 1998 James Byrd Jr a forty nine year old black man was dragged to his death while chained to the back of a pickup truck driven by three young white men It happened just outside of Jasper a sleepy East Texas logging town that within twenty four hours of the discovery of the murder would be inextricably linked in the nation s imagination to an exceptionally brutal modern day lynching In this superbly written examination of the murder and its aftermath award winning journalist Joyce King brings us on a journey that begins at the crime scene and extends into the minds of the young men who so casually ended a man s life She takes us inside the prison in which two of them met for the first time and she shows how it played a major role in shaping their attitudes racial and otherwise The result is a deeply engrossing psychological portrait of the accused and a powerful indictment of the American prison system s ability to reform criminals Finally King writes with candor and clarity about how the events of that fateful night have affected her as a black woman a native Texan and a journalist given the agonizing assignment of covering the trials of all three defendants More than a spectacular true crime debut Hate Crime is a breathtaking work of reportage and a searing look at how the question of race continues to shape life in America Texas Confidential Michael Varhola,2011-07-19 Everything is bigger in Texas as the saying goes and this certainly applies to the history of sleaze iniquity and violence associated with the Lone Star State Texas

Confidential Sex Scandal Murder and Mayhem provides a glimpse at the state's seamy underbelly and delves into some of the most striking episodes of lust corruption slaughter and chaos in Texas and the people who have perpetrated them To a colorful rogues gallery of lunatics corrupt politicians prostitutes murderers and every other sort of scoundrel that appears in the book author Michael O Varhola has added a smattering of UFOs mythological beasts and other paranormal oddities Specific chapters among the 54 that appear in Texas Confidential include Rogues of the Alamo a look at the things that just about everyone connected with the famous battle had to hide The Ivory Tower of Death on the bloody 1966 University of Texas rampage that left 18 people dead and 42 wounded Porno Texas Style which includes a list of adult actors from the state and The Aurora UFO Incident about the state's oldest documented UFO incident which occurred in 1897 [Yellow Rose of Texas](#) Douglas Brode,2014-01-10 [Yellow Rose of Texas](#) The Myth of Emily Morgan tells the fact based story of the African American woman who inspired the world famous folk song In this graphic novel the adventures of Emily Morgan reveal the Texas war for independence through the eyes of a black woman who survived the Alamo and played an important part in winning the war While the story of Texas is told with attention to historical detail the story of Emily is elevated to a romantic myth **Road Kill** Stephen Graham Jones,Bev Vincent,Patrick C. Harrison, 3rd,Madison Estes,Jonathan Louis Duckworth,Lauren Campbell,E. R. Bills,Mario E. Martinez,2021-12-20 **Terror by Night** Terry Caffey,2011-10-12 At 3 00 a m on March 1 2008 Terry Caffey awoke to find his daughter's boyfriend standing in his bedroom with a gun An instant later the teen opened fire killing Terry's wife his two sons and wounding him 12 times before setting the house ablaze Terry fell into deep depression and planned to kill himself but God intervened Upon visiting his burned out property Terry noticed a scorched scrap of paper from one of his wife's books leaning against a tree trunk The page read God I couldn't understand why You would take my family and leave me behind to struggle along without them And I guess I still don't totally understand that part of it But I do believe that You're sovereign You're in control That page was like a direct message from God and it turned Terry's life around Now one year later Terry is remarried the adoptive father of two young sons and working to rebuild his relationship with his 17 year old daughter who is currently serving two life sentences in a Texas state penitentiary for her involvement in the crimes Terror by Night tells the compelling story of how Terry Caffey found peace after his wife and sons were brutally murdered and his teenage daughter implicated in the crime Sharing never before told details about the night of the crime and subsequent murder trial it explains how Terry was able to forgive the men who murdered his family and how he even interceded with the prosecutors on their behalf A powerful example of how the power of forgiveness can bring healing after tragedy and great loss it shows how God can bring good out of even the darkest tragedies

Abandoned South Texas Shane Steeves,Jessica Steeves,2020 Series statement from publisher's website [Texas Under Siege](#) Vernon Gillen,2013-06-15 During the early 1980's I as Ricky Gilmore and a few friends form a survival group called The Wild Hogs Believing that the United States would soon fall to a newly elected and self proclaimed Marxist

president the Wild Hogs plan on surviving the outcome As time went on young Ricky moved up from just being a new survival group leader to ranks that controlled most of the fighting forces in Texas that stayed busy fighting the invading United Nations troops Before long Ricky found out that a much more powerful force was controlling the United Nations troops and the president of the once great United States There was no longer a United States and most southern states formed their own republics With most of the nation fragmented into their own republics Ricky knew that they had to get united The United Republics of America was formed just in time to see more enemies than they might could handle The fight was on as the UN started using nuclear and biological weapons of all types As the population of Earth dropped dramatically young Ricky and what is left of his fighting forces must try to survive

Texas Terror Donald E. Reynolds, 2007-12-01 On July 8 1860 fire destroyed the entire business section of Dallas Texas At about the same time two other fires damaged towns near Dallas Early reports indicated that spontaneous combustion was the cause of the blazes but four days later Charles Pryor editor of the Dallas Herald wrote letters to editors of pro Democratic newspapers alleging that the fires were the result of a vast abolitionist conspiracy the purpose of which was to devastate northern Texas and free the region's slaves White preachers from the North he asserted had recruited local slaves to set the fires murder the white men of their region and rape their wives and daughters These sensational allegations set off an unprecedented panic that extended throughout the Lone Star State and beyond In Texas Terror Donald E Reynolds offers a deft analysis of these events and illuminates the ways in which this fictionalized conspiracy determined the course of southern secession immediately before the Civil War As Reynolds explains all three fires probably resulted from a combination of extreme heat and the presence of new and highly volatile phosphorous matches in local stores But from July until mid September vigilantes from the Red River to the Gulf of Mexico charged numerous whites and blacks with involvement in the alleged conspiracy and summarily hanged many of them Southern newspapers reprinted lurid stories of the alleged abolitionist plot in Texas and a spate of similar panics occurred in other states States rights Democrats asserted that the Republican Party had given tacit approval if not active support to the abolitionist scheme and they repeatedly cited the Texas Troubles as an example of what would happen throughout the South if Lincoln were elected president After Lincoln's election secessionists charged that all who opposed immediate secession were inviting abolitionists to commit unspeakable depredations Secessionists used this argument as Reynolds clearly shows with great effectiveness particularly where there was significant opposition to immediate secession Mining a rich vein of primary sources Reynolds demonstrates that secessionists throughout the Lower South created public panic for a purpose preparing a traditionally nationalistic region for withdrawal from the Union Their exploitation of the Texas Troubles Reynolds asserts was a critical and possibly decisive factor in the Lower South's decision to leave the Union of their fathers and form the Confederacy

Texas Storm Don Pendleton, 2014-12-16 In the oil fields of Texas the Executioner discovers a daring Mafia plot The plane comes in low dropping its sole passenger on the edge of the oilfield known as Klingman's Wells Wearing

all black his chest crisscrossed with ammunition Mack Bolan begins his assault on the facility With his two favorite pistols and a handful of grenades he cripples this mob run drilling site causing enough chaos to allow him to escape unharmed and rescue the kidnapped woman who is trapped inside Bolan s one man war against organized crime has hamstrung the mob s gambling operations and stopped its corruption of Washington Desperate for funds the syndicate has infiltrated the Texas oil industry starting with Klingman s Wells To save the Lone Star State from mob rule the Executioner hits one Mafia stronghold after another in a tornado of destruction that is appropriately Texas size Texas Storm is the 18th book in the Executioner series but you may enjoy reading the series in any order

Texas Gothic James Pylant,2014-10-01 It began in the 1800s In the Texas town of Mineral Wells people drinking the strange tasting water claimed to be cured of insanity rheumatism and terminal illness Discovery of the phenomenon beguiled thousands of tourists curiosity seekers and the afflicted who desperately sought cures Yet the town that promoted its crazy water attracted eccentric citizens including wealthy Will and Anna Johnson who unable to cope with the deaths of their children spared no expense in preserving the bodies for entombment in a mausoleum paperclip inventor David Galbraith the builder of a house in the shape of a honeycomb and influential mortician Bob Beetham who gained power by keeping the town s secrets In *Texas Gothic* author James Pylant also uncovers the mysterious life of beautiful and ambitious Mineral Wells resident Corinne Griffith After becoming a famous star of the silent screen and one of America s richest women she made a shocking courtroom claim that she was not the real Corinne Griffith Under the looming 14 story Baker Hotel Mineral Wells thrived with visits from movie stars yet the crazy water beckoned exploiters and predators *Texas Gothic* reveals true tales of the town s forgotten past murder white slavery prostitution and mysterious deaths

The Meanest Man in Texas Don Umphrey,2018 [Murder in Montague](#) Glen Sample Ely,2020-08-27 On a sweltering August night in 1876 Methodist minister William England his wife Selena and two of her children were brutally slaughtered in their North Texas home Acting on Selena s deathbed testimony a neighbor his brother in law and a friend were arrested and tried for the murders *Murder in Montague* tells the story of this gruesome crime and its murky aftermath In this engrossing blend of true crime reporting social drama and legal history author Glen Sample Ely presents a vivid snapshot of frontier justice and retribution in Texas following the Civil War The sheer brutality of the Montague murders terrified settlers already traumatized by decades of chaos violence and fear from the deadly raids of Comanche and Kiowa Indians to the terrors of vigilantes lynchings and Reconstruction lawlessness But the crime s aftermath involving five Texas governors five trials at Montague and Gainesville five appeals to the Texas Court of Appeals and three life sentences at hard labor in the state s abominable and inhumane prison system offered little in the way of reassurance or resolution Viewed from any perspective the 1876 England family murders were both a human tragedy and a miscarriage of justice Combining the long view of history and the intimate detail of true crime reporting *Murder in Montague* deftly captures this moment of reckoning in the story of Texas as vigilante justice grudgingly gave way to an established system of

law and order
