Porteous,2016-06 STREAMS OF GRACE explores the history of the Church by considering the various spiritual movements
which have revitalised the Church at particular times and given fresh vigour to its life and mission Bishop Porteous argues
that the heart of the many and varied spiritual movements that have shaped the Catholic Church is the mysterious activity of
the Holy Spirit Often the Spirit has acted in surprising and unexpected ways yet as spiritual movements flourished it has
become clearer that they have been critical to maintaining and enriching the calibre of the faith and provided impetus to the
evangelical mission of the Church These movements often have had saints at their forefront or have become vehicles for the
emergence of saints Spiritual movements emerge at particular moments in history and in particular places The historical and
social context of these movements is important in order to appreciate their significance It is also true that these movements
have had a marked influence on the life of the Church lived most immediately by ordinary Catholics Many movements the
author explains have shaped the character of Catholic faith and how this faith has come to be expressed in the life of
Catholics The spiritual movements have not just influenced a small number of the spiritual elite but have become sources of
inspiration and fruitfulness for countless thousands This book examines some twenty movements that have had an important
effect on the Church at different times in its history It also outlines how these various movements as movements of grace
have shaped the nature of the Catholic spiritual heritage which we continue to benefit from today Streams of Grace Sam
Wilder,2020-06-14 We are each on a journey with God a journey that will not only grow us spiritually but will challenge us to
develop other aspects of ourselves Author Sam Wilder can attest to this having served in ministry for over thirty years and
gave his life to Christ while at a youth retreat at age fifteen Every step of his journey Sam has seen that God has directed his
steps to help encourage others especially churches in their own walks of faith with God He expands this personal ministry of
his through his latest book Streams of Grace Where the Mind and Heart are Free to Wonder Within the pages are stories
from the author and others Scripture verses and inspiring quotes from recognized names who have also embarked on this
journey with God Discussion questions and prayers are also listed within each segment to offer more interactive tools for
readers and their journeys Sam hopes that as readers go through each segment in the book God s grace and beauty in
everyday life can be viewed with fresh eyes and a perspective in knowing God is always present and can help us through any

circumstance Nothing is more resounding to Sam right now than the truth of God's grace and provision as he recently was diagnosed with Parkinson's disease and has had to step down from being a pastor to focus on his health However his change in ministry doesn't mean his call to share the gospel has which is what many will understand after reading Streams of Grace With each obstacle in life that we must get through we are also given the opportunity to see God emerge in those situations and share this with others of how God's grace always shines through
